

Food insecurity is a growing crisis.

We can mitigate it's worst effects, empowering ourselves to fill our own bellies.

Once we're up and running, we can facilitate high tunnel and city garden skills on property for 15+ people a season.

3-visionsfarm.com

We're seeking:

Collaboration- Contact us to discuss retreats on our property

Farmers- Email us and be alerted to the next potential farmers Zoom meeting

Donors- Monetary as well as tools and equipment

Word of Mouth- Talk about us. Share our vision!

Be well

Darlene Parker-Kozak
