VI&E Solutions Appoints Jeremiah Behling as Board Chairman

VI&E Solutions continues to fill Board of Directors

Neenah, WI – February 28, 2024—Volatus Infrastructure & Energy Solutions has continued to grow its Board of Directors by appointing Jeremiah Behling “JB” as Board Chairman. JB brings a wealth of knowledge from the financial industry and will help direct and advise VI&E Solutions as the Advanced Air Mobility (AAM) industry matures.

“We are honored to have Jeremiah not only on our Board but leading it,” said Sheena Banker, VI&E Solutions Chief Marketing Officer. “Jeremiah’s moral compass will help guide the Board and lead VI&E Solutions into the future.”

Jeremiah Behling is the Founder and President of Utmost Capital Connection, a mergers and acquisition advisory firm specializing in succession transactions for privately held businesses. His prior leadership experience includes strategic, financial and operational roles in investment banking, family office/private equity investing and corporate banking.

Concurrently, JB serves as the Owner and President of a Milwaukee area machine tool sensor company, Techna-Tool.

As a volunteer, JB serves as the School Board Chair of a private, hybrid, Christian school, The Augustine Academy.

Outside the office, JB enjoys outdoor adventure, especially alpine and cross-country skiing, theology, and cooking and eating breakfast with his wife Cate and four young children. He and his family reside in southeast Wisconsin.

Founded in 2021, Volatus Infrastructure & Energy Solutions is connecting communities with best-in-class eVTOL infrastructure technology to ensure society is ready for the future. VI&E Solutions offers three modular vertiport designs and charging stations for electric vehicles across all mediums: air, land and sea. By tailoring to specific customer needs and incorporating the latest technologies, their work positively impacts clients and the communities they serve globally. Join the future with VI&E Solutions.
