RELEVANCE 2024 SERIES

DIVING INTO THE RELEVANT QUESTIONS OF
OUR TIME

WM PAUL YOUNG

BRADLEY JERSAK

Sponsored by The Wm. Paul Young Initiative (WPYI) with Roots&Branches

Two evenings with best-selling author Wm. Paul Young (author of *The Shack*, *Eden*, and *Crossroads*) & Bradley Jersak (President of St. Stephens University, author, and theologian)

Together, we'll dive into the relevant questions of our time. How do we heal our humanity and the divisions in our world? How does our image of God affect the way we see ourselves and others? How do we experience the love of God that heals our souls? Your curiosity and your authentic self are welcome.
