General Information

Thank you for your enquiry about our National and International Training Institution!

The Soma Sense Academy Beauty and Hairdressing Training institute was the first Private Training Institute of its kind to open its doors in the Vaal Triangle, more than a decade ago! Our learners are our first priority –as their success is vital to our success!

Situated on the banks of the Vaal River, opposite the exclusive Emfuleni Golf Estate, in the heart of the upmarket suburb of SE 3, Vanderbijlpark, Soma Sense is ideally located between the Emerald Casino and Virgin Active in Frikkie Meyer Boulevard.

Lectures take place in a calm, tranquil environment with ample parking.

Just some of the benefits of training at our Academy:

- Smaller groups of learners to ensure a high measure of individual attention.
- Practical training is given in modern, fully equipped lecture rooms.
- Our carefully selected lecturers are specialists in their field.
- ETDP SETA verified assessors and moderators.
- Exclusive training starter kits are provided.
- Extensive product house training and certification.
- Registered with Service SETA, ITEC and a Quality Accreditation Provider with SAAHSP

Please contact our offices for a personal interview to discuss different options and to determine a careerpathway to suit YOUR individual needs. It will give you the opportunity to view our premises and make an informed decision about the variety of courses that we have to offer!

SOMA SENSE ACADEMY (Pty) LTD

Certificate of Competence

Our short courses are specifically designed to suit students who can't study full time. Upon completion of any of our short courses, the student will receive a Soma Sense Certificate of Competence. All short courses include a starter training kit/products needed to complete the program. Most of our courses are aligned with SETA unit standards and are therefore an investment in your future!

PLEASE NOTE: All courses must be paid in full before the course can start and must be completed within 6 months of the commencement date.

Nail Technology:

Nail technology refers to the techniques, tools, and other products used to treat and take care of nails, while also making them look aesthetically pleasing. This field involves cosmetic beauty treatments for fingernails and toenails.
