我喜欢看到浪花拍打礁石，因为有积蓄的能量在瞬间迸发；但无论是表面的汹涌澎湃，还是内里的平静，或是表面平静之下的暗流涌动。眼目所及的，永远都不只是表面的简单而已。

This bond carries warmth, love, and the ability to overcome challenges together, creating cherished memories that bring true joy.

在博利纳斯海滩写生的时候，看到一家四口的场景触动了我，画下这刻家人团聚在一起的温暖感觉。家庭的合一，总是美好的，
带着温情与爱意，是能抵御许多风浪的最坚实又柔软的力量。

**AURORA ICE MUSEUM IN ALASKA****Price: \$2200**

Creation Year: 2016 | Media: Oil Painting | Size: 16x16 in. | Artist: Fan Lu ©FanLuArt

Description: After visiting the Aurora Ice Museum in Alaska, I walked out with an ice cup and picked up pine cones, ice cubes, and needles. The glistening pine needles, rough pine cones, and crystal-clear ice cups captured the essence of the Arctic. I cherish this memory of traveling in Alaska, and I paint it into this still-life oil painting, which I love. The cold climate brings clarity, yet my heart remains warm and strengthened.

在阿拉斯加旅行的时候，从极光冰雕博物馆出来，拿着冰做的杯子，在路边捡起地上的松果、冰块、针叶；
松针的抖撒，松果的质地，冰质杯的剔透，在阳光下熠熠生辉，北极圈的霜寒与清新感扑面而来。
寒冷，让心格外清醒，也再次让心饱满起来加添力量。

Each bold stroke became an outlet for stress and a channel for emotions. Gazing out from the plane window, I saw the landscape resonate with my inner world, giving voice to the unspoken feelings of my heart.

敏锐的心，所有破碎和站立起的经历，交织着喜乐与忧伤；
那些无法全部用言语道尽的积累着的情绪，
