

From the Pastor

Dear Church Family and Friends:

March is when Spring bursts on the scene. As the trees begin to bud and flowers begin to appear, it is like a new beginning. This month we will be looking at the seven miracles of Jesus recorded in John's Gospel. John refers to them at the Seven Sign of Jesus. Just like there are signs that Spring has arrived and there is a new season of life, there are signs in the Scriptures to reveal there is something new coming about in the world. In John 1:35-39, John illustrates to us the account of the first followers of Jesus. There are men standing with John the Baptist and he pointed out Jesus and called him "the Lamb of God." They began to follow Jesus and Jesus asked them, "what do you seek?" The two men wanted to know where he was staying. They were basically asking, what kind of spiritual leader are you? And Jesus answered them "Come and See." That is also the invitation in the Gospel of John for the readers. Come and see who this Jesus really is. Once you see the signs, it will change your life. This March come and see about the signs of Jesus. You may find out He is much more than a story in an ancient book.

Sincerely

Daniel
