From the Pastor

Dear Church Family and Friends:

January is generally our coldest month of the year and when it gets to be bitterly cold, I grab some wood and start a fire in the fireplace to warm myself. It doesn't take long and the fire will begin to die down and while there are some coals that are still hot, the level of heat has dropped, and I then put a couple more logs of wood on the fire and I take the poker in hand and begin to kindle the fire. After a few pumps from the bellow, very shortly the fire begins to come to a roar. Paul wrote to Timothy in 2nd Timothy 2:6 to rekindle the fire of faith in our lives. The idea is that we must make an effort to fan the flames of our spiritual life. We need to allow the wind of God's Holy Spirit to blow across our warm coals of our faith to great a roaring fire in our hearts and lives. How do we do that? We make sure that we spend time reading God's word everyday, asking God to help us apply it to our lives, We make church attendance a priority so that we can gather with other believers and be encouraged by the preaching of God's word. Those actions will rekindle a flame in your soul.

Don't forget the Winter Bible Study with Dr. Tim Pierce, February 9, 2025. Sincerely,

Dr. Tim Pierce Dean—School of Christian Studies Wayland Baptist University

Dr. Pierce is originally from Chandler, Arizona, is a 1991 graduate of Wayland, and has a Master of Arts in Theology and a Doctor of Philosophy degree from Southwestern Baptist Theological Seminary in Fort Worth. He has served on staff in churches in Arizona. Texas and Oklahoma and has been on Christian Studies faculties at Southwestern Seminary, East Texas Baptist University, and now Wayland.

Dr. Pierce and his wife, Kristy, met at Wayland, have been married for 35 years, and have three children."

Thank you for the opportunity. I am looking forward to being with you all on February 9th

Blessings Tim
