

More choices. More savings.

Get ready to get more from
your vision plan.

Our vision solutions are getting updated with a new and improved network that includes more ways to get the care you need. With the right mix of independent providers and access to local and national retail providers, you get more choices and more savings – a 70% average discount on exams and materials.*

Get care where it's most convenient.

- Retail providers offer longer hours and night and weekend appointments, so you can get seen on your schedule. Many also have onsite labs and can have your glasses ready the same day, or even within an hour.
- Every doctor in our vision network is carefully selected to ensure you have the flexibility to choose the right provider for your needs. This includes independent, national retail and regional retail providers, such as **LensCrafters®**, **Pearle Vision®** and **Target Optical®**. Plus, we offer in-network options with online providers that include **LensCrafters.com®**, **Ray-Ban.com®**, **Glasses.com®**, **TargetOptical.com®**, **contactsdirect.com®**, and **Oakley.com®**.

Find an in-network provider on myCigna®.

- With our provider directory, you can search by name, location or online availability. You'll even be able to see languages spoken, office hours, types of vision services, products, brands and any specialty services offered, such as retinal imaging and pediatric care.

Now there are
more options for
your vision care.
