

QUEEN CITY FC

FULL SERVICE SOCCER CLUB IN HELENA MT

Soccer is the World's most popular and participated in sport. Perhaps even your own children have had or will experience the passion, skill, and lifetime value of playing it. With less disposable income for families, they are being forced to choose between allowing their child to play the sport they love and providing for their families. The objective of Queen City FC is to allow each child to participate in the great sport of soccer regardless of income. This can only be done with the generous support of philanthropic individuals and corporate/community partners. We are determined to significantly reduce and possibly eliminate the fees associated with participation.
