

# Welcome to R&R HOME

Ray & Roseann

6907 Metcalf Avenue, OPKS 66204

**First Year on WSGKC 2023 Tour**

## POND & FOUNTAIN NOTES

- 53' lineal stream ending in a 450-gallon pond (Aprox 3ft deep) added the Fall of 2022.
- Lily pads flow throughout ranging in color from purple to white along with a variety of colorful annuals such as coleus and summations planted in the stream.
- Several tropical plants such as elephant ear, canna lily and papyrus along with creeping Jenny that softens up the rocks.
- We also have added several varieties of Koi to our pond.
- We also have a large 3 urn fountain (113' in diameter) on the corner of 69th and Metcalf.

## Fish Rescue Site

Second Pond Being built soon  
Updates & Pictures will be posted,
