Leveraging DoD's STEM Vision

"Building the Workforce of the Future"

Kids Excited About Science

Teachers Engaged in the Classroom

Students Producing Results

What: 8th Annual Real Women, Real World, Real Work (RW3) Leadership Symposium

Hosted by **Women In Defense Mid-Atlantic Chapter.**

Supported by the defense community, defense industry, educational institutions, community leaders, and local community to exhibit STEM education, leadership training, business opportunities and engage others' in participation.

Where: **Water's Edge Event Center** (4687 Millennium Drive, Belcamp, MD 21017)

When: **April 12, 2018** from **8:00 a.m. to 3:00 p.m.**

Why: **Our 2018 platform: "Leveraging DoD's STEM Vision"**

We are uniting with DoD to create a diverse, STEM talent pool of innovative and highly proficient technical leaders. We look forward to an **informative discussion on APG workforce needs, future technological advancements, leadership, and youth STEM educational programs.**
