We pray for our world that there may be an end to division, violence and war. As the wildfires rage through southern France and Spain and parts of England we pray for all firefighters and those affected by the fires. We pray for all those suffering in the aftermath of the major earthquakes in Venezuela and Japan, and those affected by serious flooding in Afghanistan and China. We pray for our community in Lymm and for our church facing challenging times. The Sick All those known to us who have asked for prayer. The Departed All those recently departed known to us.
