3. In 2018 it was my understanding Matthew Clarke drove his vehicle without insurance. He also drove drunk out of a belief that he would not get caught.
4. Tracy Carpenter has attempted to silence all criticisms of her family. She refuses to hold Matthew Clarke accountable for personal theft, reckless endangerment of life & public intoxication.
5. Kyle Deroy has been Protected irrationally by Pat Deroy, Kimberly Richardson, Dwayne Richardson, Nicole Hill and Mary McGraw. To the benefit of him and the harm of Ashton Deroy.
6. Matthew Clarke makes me feel uncomfortable as well as unsafe about my sexuality, my boyfriend's Indigenous status, and my own political opinions. Pat Deroy can also be seen demonstrating clear apparent hate speech which will be used to argue a pattern.
7. Shane Fraiser has sexually assaulted me in 2012 and was never held accountable. There were also incidents where we were pressured to include him in the family. Long after we said we were no longer comfortable doing so.
