INSTRUCTIONS

The Business Privilege Tax is a privilege tax calculated at the rate of .5 mills (\$.50 per \$1,000.00 of receipts) on wholesale business and .75 mills (\$.75 per \$1,000.00 of receipts) on all other business, including retail business, service business, and rental business. Gross Volume of Business transacted within the territorial limits of the Township means all receipts connected with business activity occurring within the Township or attributable to a base of operation in the Township. Gross Volume of Business includes the gross amount of cash, credits or property which is attributable to the Township by reason of any service rendered or commercial or business transaction. Generally, receipts are attributable to the Township when business activity is managed, directed or controlled from a base of operations in the Township, even if the customer or a significant portion of the business activity is outside the Township. Gross Volume of Business includes, but is not limited to, all commissions, fees, reimbursements, rents and any other compensation received, as well as interest, dividends, capital gains and other income, whether considered "passive" or "active".

It is the taxpayer's burden to claim and prove any exemption or exclusion. Taxpayer must disclose the entire gross volume of business prior to exclusion and provide worksheets, tax returns, or other documents supporting the claimed exclusion. In general, you may exclude from "Gross Volume of Business" the following receipts, however, please see Section 205 of the Exeter Township Business Tax Regulations for more information on what may be excluded:

1. Receipts generated by IRC 501 (c)(3) non-profit organizations meeting the criteria for "institutions of purely public charity" as set forth in the Institutions of Purely Public Charity Act, 1997, P.L. 508, No. 55; 10 P.S. §371 et seq., except for receipts derived by such non-profit organizations from unrelated trade or business income and receipts from activities that compete commercially with any business subject to tax.
2. Receipts generated by manufacturers from the sale of articles of their own manufacture.
3. Receipts from utility service of a taxpayer whose rates of service are fixed by and regulated by the Pennsylvania Public Utility Commission.
4. Receipts which constitute discounts allowed to purchasers as cash discounts for prompt payment of bills.
5. Receipts which constitute charges advanced by a taxpayer for freight-out, delivery or other transportation for the purchaser in accordance with the terms of a contract of sale of goods, wares or merchandise.
6. Receipts which constitute amounts received upon the sale of an article of personal property that was acquired by the taxpayer as a trade-in to the extent that the receipts in the sale of the article taken in trade do not exceed the amount of trade-in allowance made in acquiring such article.
7. Receipts which constitute refunds, credits or allowances given by taxpayer to a purchaser on account of defects in goods sold or merchandise returned.
8. Receipts which constitute exchanges between sellers of identical goods, but not to the extent of any additional cash payment accompanying the exchange.
9. Receipts from sales of merchandise to other sellers in the same line of business where the seller transfers the title or possession at the same price for which the seller acquired the merchandise.
10. Receipts which are recorded in the books and records of taxpayer that constitute transfers between different departments of the same legal entity that is the taxpayer. Receipts from transactions between affiliated entities may NOT be excluded.
11. Receipts which constitute taxes imposed by the United States of America or the Commonwealth of Pennsylvania upon third persons (as opposed to taxes imposed on the taxpayer) and collected from such third persons by the taxpayer as agent for the United States or Commonwealth, and remitted by taxpayer to those other taxing authorities, such as Pennsylvania sales tax.
12. A portion of receipts subject to interstate commerce. Where the taxpayer has receipts from interstate commerce, taxpayer must apportion receipts pursuant to the formula provided in Section 207 of the Exeter Township Business Tax Regulations.

WHOLESALE

For purposes of the Exeter Business Privilege Tax, a wholesaler is a business that sells to persons who purchase from it for the purpose of reselling the product in the same condition in which it is purchased.

PARTIAL YEAR

New businesses must file a Business Privilege Tax return within 100 days of the commencement of business. The \$20.00 License fee is not prorated. Taxpayers that cease to do business after January 1, 2021 but prior to May 15, 2021, must file a return no later than May 15, 2021 and calculate gross volume of business by taking the monthly average of business during the previous full calendar year and multiplying that monthly average by the number of months from January 1 to the date that the taxpayer went out of business. Taxpayers that cease to do business after May 15, 2021, must file a final tax return within 7 days of ceasing to do business and may seek a partial refund of tax principal that was paid for the full 2021 tax year based on the portion of the 2021 year remaining after which the taxpayer ceased to do business.

LICENSE

Taxpayers with multiple locations in the Township must obtain a business license for each location, there shall be no additional fee for such additional locations. Taxpayers should only file one tax return for all locations.

FILING REQUIREMENTS AND DEADLINES

You must attach copies of federal tax returns, schedules and worksheets to support gross receipts and/or gross volume of business reported and any claimed exclusions or exemptions. The tax return is not considered complete unless such documents are attached. The deadline to file this Return is May 15. Exeter Township will honor federal extensions for returns not filed by May 15 PROVIDED THAT a copy of the federal extension form is submitted and the full amount of tax and license fee is paid no later than May 15.
