INSTRUCTIONS

BUSINESS PRIVILEGE TAX

The Business Privilege Tax of 2.0 mills is to be paid on the **gross receipts** of Persons, Businesses, Trades, Occupations and Professions operating a business within the Township. **Where a taxpayer has receipts from interstate commerce, taxable receipts will be calculated as follows:**

$(\text{Receipts within Pennsylvania} \times 100\%) + (\text{Receipts outside Pennsylvania} \times \text{Apportionment Factor}) = \text{Gross receipts to which tax is applied.}$

The “Apportionment Factor” is calculated by averaging the following percentages: 1) Wages, salaries, commissions and other compensations attributable to the Township office, as a percentage of total wages, salaries, commissions and other compensation; 2) Pennsylvania receipts attributable to the Township office as a percentage of total receipts and 3) Value of tangible personal and real property owned and located in the Township, plus property leased and located in the Township, and all other property owned and located in the Township, as a percentage of total property.

MERCANTILE TAX

The Mercantile Tax is to be paid on the **gross receipts** from the sale either at retail (1.5 mills) or wholesale (1.0 mill) of any goods sold by any “Dealer” operating a Business within the Township. This also includes food and beverage sold for consumption or otherwise within the Township. **Where a taxpayer has receipts from interstate commerce, taxable receipts will be calculated as detailed above.**

Note: If line 8 is less than \$10.00 enter 0.00.

PARTIAL YEAR

If the business has not been operating for a full year, then the Tax will be on the Gross Receipts for the period in the year that the firm has been operating. The Estimated Tax shall be computed by dividing the Tax by the number of months in business and then multiplying by twelve (12).

LICENSE

A separate license shall be required for each place of business within the Township. If a business is located outside the Township but providing services or selling products subject to the Business Privilege / Mercantile Tax within the Township, that business shall be required to obtain a license.
