

RISE & SHINE!

NWBC Youth Empowerment Ministry

MISSION

We're dedicated to empowering the next generation of leaders! Through spiritual growth, education, community service, and creative expression, we'll help young people discover their purpose. We are here to help them rise, reach, lead, and shine - in Christ and in life.

Ministry Includes:

- Tutoring & Academic Support
- Community Service Projects
- Talent-building Workshops
- Empowerment Workshops

Parents/Guardians are required to attend ministry events alongside their youth to strengthen the connections between generations, reinforce the support system, and further encourage growth. For more information, contact Carlisha Jennings at riseshine@mynwbc.org.
