

## Double Diamonds!!

So, sixty years since Peg and Bill  
Said, shall we wed? I think we will  
Pegs' borrowed dress, Bills' uniform  
In Lincoln, marriage vows were sworn  
They honeymooned on Blackpool prom  
And so, began a love lifelong  
From '58, six decades passed  
Just shows how such true love can last  
You've packed in loads throughout this time  
Not done yet though – still in your prime  
You've travelled the world and that's for sure  
Like Cyprus, Minehead, Singapore  
All here now, to celebrate with you  
With love and thanks for all you do  
As Mum and Dad, you've shaped our lives  
Grandparents too – you've helped us thrive  
Through ups and downs of sixty years  
Blessed more with laughter than with tears  
A partnership that's stood the test  
Mum, Dad and 'G'Dogs' – you're the best  
And now, before a tear might flow  
Off to the bar someone must go  
So we can toast your special day  
At 'Littlecote', this day in May  
To two pure Diamonds that make our lives sparkle  
More than the ring finger of Meghan Markle!
