

Nature Quest

"Where Once In A Lifetime Happens Everyday"

Week End - Adventures

Nature Quest has developed a unique and enriching outdoor experience for your group. Nature Quest has 2 different rivers we use to showcase the most beautiful springs & rivers in Florida.

Trip 1

- Santa Fe River "Spring Hopping"

Nature Quest will provide everything your group needs for your "Spring Hopping Adventure". Set back and relax, all you need is a sense of Adventure as we "Go with the Flow" down the Santa Fe River. Nature Quest will stop at 4 very large springs for swimming & snorkeling in 72 degree water year around. The Santa Fe River has the largest concentration of Springs on the planet! Your Group guided trip is a day you will never forget!

- Transportation / Nature Quest will pick you up in a Chartered Bus
- A continental breakfast to begin your journey
- All new Canoes - Kayaks and safety gear will be provided
- A great lunch made especially for your group
- Transportation back to your city
