GLOBE[®]

GREAT LAND OF BRIGHT ECONOMY

A REVOLUTION IN THE REAL ESTATE & INVESTMENT INDUSTRY.....

- The first Real Estate Investment regulatory entity and marketplace where all real estate-related authorities and decision-makers unite (Investment authorities, Commerce and Tourism Chambers, Banks, Developers, Contractors and sub-contractors...)
- A world class environment which contributes to controlling and regulating the real estate and investment market globally.
- Strategically located in the world's 5 Continents to form an internationally linked real estate network (North America, South America, Europe, Asia and the Middle East..)
- A free zone providing an advanced infrastructure, professional support services, tailored expertise and easy access to markets rich with untapped opportunities.
- Engulfs top quality facilities (offices, convention halls, conference rooms, auction chambers, hospitality services...etc..)
- The GLOBE displays 'NOOREX' as the world's first Real Estate Index.

NOOR | INTERNATIONAL[®]
HOLDING

www.noorih.com

+9611 999999

After contributing in the development of the world's tallest hotel "Rose Tower" and proposing the "Cedar Island", Noor International Holding an International Real Estate developer maintained its world-class projects around the world. Noor is considered the first "Real Estate Development Factory" (RDF) around the world based on its Chairman's vision of a corporation which covers all the steps required for real estate development from evaluation to delivery and operation process, through the aid of strategic alliances with international firms specialized in all the fields associated with the real estate industry.

556 years of experience meet under Noor real estate development factory ..
