

The Doeden Investment Group is thrilled to announce an exciting development for Aberdeen Catering Company, our esteemed catering company serving the Aberdeen community. As Aberdeen Catering continues to experience rapid growth and demand for its exceptional services, we are delighted to unveil plans for a new, expanded location.

Effective June 1st, Aberdeen Catering will be relocating to the former Scotty's Diner building, located at 719 N Main Street. This strategic move will provide Aberdeen Catering Company with the additional space and resources needed to accommodate its expanding operations while enhancing the overall customer experience.

The new facility will offer several exciting features, including drive-thru pickup service for added convenience. Additionally, Aberdeen Catering Company will be proud to provide dedicated party and meeting spaces, perfect for hosting smaller gatherings and events right on-site.

"We are thrilled to announce the relocation of Aberdeen Catering to the former Scotty's Diner building," said Toby Doeden, CEO of the Doeden Investment Group. "This move represents a significant milestone for our catering company, allowing us to better serve our valued customers and meet the growing demand for our services."
