

HAVE AN AUTO ACCIDENT?

HERE'S WHAT TO DO:

- Check to make sure everyone is ok.
- If anyone needs immediate medical attention, call 911
- Report the accident to the police.
- Take photos of the vehicles involved
- Document the time, location, and any damage or injuries.
- Collect information – Get anyone else's name and number involved along with their insurance information.
- Get information from any witnesses – Don't rely on others to do this.
- Make sure and Call Delving Jech Agency, Inc for a free consultation!
