Nyla Rose 507N is the kind of female that stops you in your tracks with her bold rib shape and depth of body. She moves on big, solid foot with flexibility. This farm favorite has already proven herself in the show ring being Reserve Champion Limousin Heifer Calf at the Minnesota State Fair but we believe her true value will shine even brighter when she enters production. One of her greatest traits is her dispositions- she's the kind of heifer that gives young showman confidence and creates an enjoyable experience. We're excited for her future and proud to offer her. We will retain the right to one flush with a minimum of six eggs at the buyer's convenience and the seller's expense. Make sure you're the last bidder when the hammer drops- this is one you wont want to miss.
