From Vision to Foundation

Second Chance has officially moved from idea to structured organization. We are building intentionally — not rushing growth, but laying the legal, governance, and community groundwork needed for lasting impact.

“Intentional growth creates sustainable change.”

Governance & Structure

Second Chance Incorporated of Florida is officially formed. Our initial Board has been selected, and we are preparing for our first official Board meeting at the end of this month. We are also preparing to launch our membership drive and complete the necessary steps to apply for 501(c)(3) nonprofit status.

Community Outreach Highlights

- Holiday Toy Drive
- Free Community Holiday Dinner

Each event reinforces our core mission: dignity, restoration, and genuine human connection.
