ACH Recurring Payment Authorization Form

Recurring Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town), eliminating late charges

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated below each billing period. The charge will appear on your bank statement as an "ACH Debit." You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.

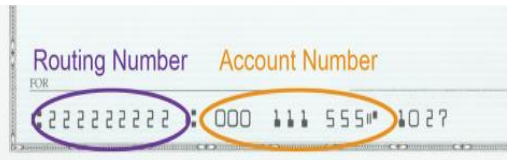

The Waters Assembly's authorization of this service, for a Member, does not imply that the amount shown to be paid is the amount due nor that the date shown for payment is the due date. In addition, The Waters Assembly will enforce all rights and remedies allowed the collection of delinquent dues.
