

# APRIL

## Monthly Moments

REMEMBER • CREATE • PRESERVE • SHARE

### THE ACTIVITY

A good movie night never disappoints! For April's Monthly Moments, plan a night to host friends and neighbors for a showing of a favorite movie.

### THE SETTING

The weather is starting to warm up a bit, so hosting a movie night out under the stars would certainly make a night to remember. Pull out camp chairs, blankets, pillows and maybe even some twinkle lights. Hang a large sheet on the side of the house and project the movie onto it for a large screen experience. If the weather isn't just right, bring the movie indoors. There are so many ways to have a great movie night!

### THE SNACKS

It's a movie night, so things do not have to be complicated. Plan a simple pizza dinner, a popcorn and candy bar, pretzels or nachos . . . the sky is the limit!

## *Salted Caramel Rice Krispie Treats*

from kimandkalee.com

#### INGREDIENTS

- 1/2 Stick Butter
- 5 Cups Rice Krispies
- 10 oz Bag Marshmallows
- 10 oz Bag Kraft's Caramel Bits
- Salt to Taste

#### INSTRUCTIONS

- Place the 1/2 stick of butter in a large pot on medium-low heat. Let the butter melt.
- Add in 1 bag of marshmallows and melt until gooey.
- Add in 5 cups rice cereal. Turn off stove.
- Stir together.
- Remove from any heat. Add in Caramel Bits and mix through.
- Gently spread into a greased 9x13 pan. (Pressing too hard will make them crunchy).
- Top with salt.

#### NOTES

- For the best bars, let them sit at room temperature for 2-3 hours before enjoying.
- Make sure to keep your stirring to a minimum. The more stirring or pressing you do, the more the cereal breaks. This causes the treats become too chewy.
- Spray your pan and spatula with a non-stick spray to keep the marshmallow cereal mixture from sticking to it as much.
