Fall is finally here, and we have a lot of upcoming events to look forward to. You can read more details about the events in this newsletter or visit the events tab at The Waters Assembly website – [www.thewatersassembly.com](http://www.thewatersassembly.com).

## Note from the Assembly Manager

The neighborhood meetings were a success, and we appreciate all the neighbors who participated. The following residents were elected, by the neighbors, to serve as the 2022-2023 Neighborhood Representatives.

- Dale Entrekin – Neighborhood A
- Mark Spurlin – Neighborhood B
- Gary Weaver – Neighborhood C
- Coleen Coles – Neighborhood D
- Hannah Hawk – Neighborhood E
- Jessica Carson – Neighborhood G

The Neighborhood Representatives serve as a liaison between the Members of the Association and the Directors and Officer of the Association. We appreciate each Representative that has agreed to volunteer to serve their community.

The Waters Annual Association Meeting is set for Monday, November 7, 6 PM at The Chapel at The Waters. The Bylaws of The Assembly state the following guidelines regarding the Annual Association Meeting: “In order to maintain an orderly meeting, only Class E Member and the Neighborhood Representatives are allowed to speak at the Association Meeting.” This is the meeting to present and approve the 2023 budget. Residents are welcome to attend.

It is exciting to watch the new home construction throughout the neighborhood. We have approximately 26 homes under construction! We are thankful for each person who calls The Waters home.

Jen Akridge,  
Assembly Manager

## ELECTION SIGNS:

With upcoming elections please note that Section 5 of The Waters Covenants & Restrictions provide that “No sign of any kind or nature, or advertising device of any kind or nature, shall be placed upon any part of the Property except as permitted herein or in accordance with the Pattern Book. Signs and other advertising devices, when in compliance with criteria established in the Pattern Book or by the ARB, may be erected and maintained upon an owner’s lot. Notwithstanding the foregoing, the Declarant specifically reserves the right for itself, its successors and assigns and the Association, to place and maintain signs in connection with construction, marketing, sales and rental of Buildings and identifying or informational signs anywhere on the property. The Developer, The Association and the ARB shall have the right to enter upon any part of the Property and remove or correct any such violation, provided, however, that prior notice is given of such action. Notice may be given orally or in writing.” The Waters ARB allows for The Waters approved real estate sign design and The Waters approved private residence sign to be posted upon a resident’s property. Political signs or other signs are not approved and should be removed. If you have any questions about this, please contact the Information Center at 334.277-5551.

## The Town of Pike Road Meeting Information

# Caramel Apple Bark

## INGREDIENTS:

- 12 oz bag of Milk Chocolate Chips
- 1 Green apple
- 35 Individual wrapped Caramels or 13.5 oz Caramel dip
- 16 oz Bag of Pretzels

## INSTRUCTIONS:

1. Melt 1  $\frac{3}{4}$  cups of chocolate chips in the microwave and stir every 15 seconds until smooth.
2. Pour the melted chocolate onto parchment paper and use a rubber spatula to spread it into the shape of a rectangle.
3. Layer pretzels on top of the chocolate till it is covered.
4. Dice the green apple and dab it with a paper towel to get rid of as much moisture as you can to prevent the caramel from becoming runny.
5. Unwrap the caramels and microwave them in 15 second intervals. Stir until all melted. Mix the apples into the caramel then spread it on top of the pretzels.
6. Move it to the fridge and let it sit for 30 minutes.
7. Remove from fridge and melt the remaining chocolate and drizzle it on top.
8. Return to the fridge for an hour then take it out and cut the bark in to bite size pieces.
9. Leave the bark in the fridge until you are ready to serve it.

Notes: Serve it the day of otherwise the pretzels may become soft and apples will have too much moisture.

## Do you have a Waters Resident Card to access the amenities?

If you are new to The Waters or you have a new driver (age 14 and older) and do not have a resident card, please make arrangements to attend the New Resident Orientation at the Information Center on Tuesdays at 4:00 pm and Thursdays at 9:00 am. Please call (334) 277-5551 to reserve your spot.

Homeowners who have resident cards must continue to pay homeowners' dues in a timely manner to keep the cards active. Only homeowners/renters with valid cards will be granted access to The Waters amenities. The keycard system provides added security to the amenities while providing a log of when each homeowner enters and exits the amenities. If you lose a resident card, please report the lost card to the Information Center as soon as possible so that the card can be disabled. Lost resident cards that are reported to the Information Center will be deactivated to insure that those resident cards are not utilized by someone other than the Member who was assigned the card(s). Replacement cards are issued at a cost of \$15.00 per card.

# THE HISTORY OF VETERANS DAY

It was at 11:00 am on November 11, 1918 that a temporary peace, or armistice, was signed and the fighting during World War I came to an end. A year later President Woodrow Wilson announced that November 11th would be called Armistice Day in the United States.

In 1938 Armistice Day became a national federal holiday. It was a day dedicated to world peace and held in honor of the veterans of World War I.

In 1954 Congress decided to change the day to Veterans Day. This was because they wanted to honor the veterans of all wars including World War II and the Korean War.

There were a few more changes to the day. In 1968 the day was moved to the fourth Monday of November. However, it was later changed back to November 11th in 1978 by President Gerald Ford.

- ... Degrease the range hood and filter
- ... Clean the oven
- ... Vacuum the refrigerator coils
- ... Scrub tile grout
- ... Clean light fixtures
- ... Wash the walls and backsplash
- ... Wash the garbage can and recycling bins
- ... Clean small appliances
- ... Organize Tupperware
- ... Clean out microwave rotation panel
- ... Take rugs to the laundry for a spin
- ... Clean windows and other glass surfaces

## Your Fall Home Maintenance Checklist

(edited from <https://www.forbes.com/sites/houzz/2015/09/26/your-fall-home-maintenance-checklist>)

1. **Care for trees and shrubs.** If you have trees on your property, consider hiring an arborist to care for them – these pros can spot signs of poor health early on to prevent tree loss, and know how to prune properly to avoid falling limbs in winter storms.
2. **Rake leaves.**
3. **Clean gutters and downspouts.** Once most of the leaves have fallen, clean out gutters and downspouts (hire a helper if you are not comfortable on a ladder). Clogged gutters during rainstorms can cause water to pool and damage your roof or siding.
4. **Make exterior repairs.** Take a walk around your property, looking for signs of damage to the roof, siding and foundation.
5. **Seal gaps where critters could enter.** Mice need only a tiny gap to be able to sneak into your house and raid your pantry – and with colder weather coming, all of the little critters out there will be looking for warm places to make a home. Fill small holes and cover any larger gaps securely with heavy-duty hardware cloth to keep the wildlife outdoors.
6. **Shut off exterior faucets and store hoses.** Protect your pipes from freezing temperatures by shutting off water to exterior faucets before the weather dips below freezing. Drain hoses and store them indoors.
7. **Add weatherstripping.** Weatherstripping applied around the frames of windows and doors helps boost winter warmth and cut energy costs. Add door sweeps to the base of drafty doors to keep heat in and cold air out.
8. **Check safety devices.** Test smoke detectors and carbon monoxide detectors; replace batteries as needed. Also check the expiration date on your fire extinguisher and replace if needed.
9. **Clean dryer vents.** Lint buildup in dryer vents can make your dryer work less efficiently and even cause a fire – cool, dry fall weather increases static electricity, which can ignite lint that has built up, so now is a key time to get that lint out. You can hire a duct cleaning specialist to clean the vents for you, or clean the vent yourself.
10. **Schedule a chimney cleaning and heating system maintenance.** Making sure your chimney and heating system are cleaned, maintained and in working order before you need to turn on the heat is an important safety measure. And be sure to add a chimney cap if you don't already have one – it will stop critters from crawling down your chimney!

# Dues Are Due

The Waters Assembly (Homeowners' Association) quarterly dues are due on or before the 15th of the beginning month of each quarter (January, April, July and October). **If you do not have a coupon to include with your payment, please write the Lot number and Address on your check.** If you do not have a coupon book, please contact Rachael Quinn at (334) 277-5551 or email rachael@thewatersal.com.

To better serve members of The Assembly, there are several payment options: (1) Checks can be mailed to **The Waters Assembly c/o Rachael Quinn, 2239 Marler Road, Pike Road, AL 36064.** (Please keep your cancelled check as your receipt for payment.) (2) Checks will be accepted at the Information Center during office hours Monday - Friday 8:00 am – 5:00 pm or by use of the after hours drop box. (The Assembly does not accept cash.) (3) Payment can be made by debit/credit card through a PayPal card reader or invoice. This payment option includes a 3.5% convenience fee. (4) Sign up for ACH recurring payments. This option is convenient and your payment is always on time (even if you're out of town). ACH forms are available on The Assembly website [www.TheWatersAssembly.com](http://www.TheWatersAssembly.com) and at the Information Center.

The Assembly is enforcing all rights and remedies allowed for the collection of delinquent dues. Finance charges will be assessed on all delinquent accounts. To avoid finance charges, attorney's fees and other collection enforcements, dues should be paid by the 15th of the month in which they are due. If you have any questions regarding Assembly dues, please contact Jennifer Akridge or Rachael Quinn at (334) 277-5551.

## Cormorant Season is Here

Cormorant season has begun. It runs from October through March. The Assembly team purchased pyrotechnic guns to scare the pesky birds away. The reason the cormorant birds are such a problem is because each bird can eat as much as one or two pounds of feeder fish a day and there can be as many as two thousand on the lake at one time. Please do not be alarmed if you hear the explosion from the pyrotechnic guns.
