Appointment Required

Spring is here and there are fun events planned throughout the neighborhood! We are EXCITED to announce our upcoming Music in May lineup! Bring a lawn chair and your friends and join us at the Square on the scheduled dates. Check out this edition of The Waters Ledger for details.

Note from the Assembly Manager

Now is a great time to do spring cleaning at your house. Is it time to replace dead shrubs, remove weeds, pressure wash your house, paint your fence, clean out your carport or porch? Just in time for spring cleaning is Carport Clean Up on Saturday, April 5th and Spruce Up Saturday event with The Straw Farm on Saturday, April 29th.

Food Truck Monday officially starts on Monday, April 7th! For a quick look at the Food Truck Schedule, visit the HOA Website – www.thewatersassembly.com

Pool season officially begins Tuesday, April 15, 2025, and will run through October 15, 2025. Both neighborhood pools will open on the same date. Neighbors must use an active amenity card to access the pool gates. All household members, age 14 and older, must have an amenity card with the member photo. Sharing cards is not permitted and if recognized during a pool inspection the amenity card will be taken up and returned to the management office. As a reminder, the pool gates cannot be propped open and there is no swimming in the lakes. The Pool and Beach Rules are included in this newsletter. Please share the rules with your family and guests.

It's going to be a great Spring at The Waters and we look forward to seeing everyone out and about enjoying our spectacular community and all it has to offer.

Jennifer Akridge,
Assembly Manager

The Waters 2025 Fishing Guidelines

Catch and Release Guidelines:

- Release all bass.
- Release all crappie.
- Limit the number of bluegill and shell crackers to 10 per person per day.

Harvest Guidelines:

- Harvest all catfish when caught. Note: catfish compete with the bass for the limited food supply so please harvest. Thank you for helping to remove the catfish.

From Southeastern Pond Management Evaluation of Lake Cameron, 2024

"When one flower
blooms, spring awakens
everywhere."
- John O'Donohue

"Spring is when life's alive in
everything." - Christina Rossetti

The Town of Pike Road Meeting Information

Town Council Meetings

The Pike Road Town Council meets the second Monday of every month at 6:00 pm and the fourth Wednesday of every month at 7:00 am. Meetings are held in the council chamber at Pike Road Town Hall.

Planning Commission Meetings

The Pike Road Planning Commission meets the first Monday of every month at 5:30 pm. Meetings are held in the council chamber at Pike Road Town Hall.

For more information, contact The Town of Pike Road at (334) 272-9883.

The Town of Pike Road observes federal holidays. In the case that a Town Council and/or Planning Commission meeting falls on one of these holidays, the meeting(s) will be moved to the following business day or as announced. Stay informed about everything going on in Pike Road by subscribing to their weekly updates! Sign up today at info@pikeroad.us.

Mark your calendars....

THE POOLS ARE OPENING

The Waters Directory

The Waters Directory Spring 2025 update is complete. A copy of the directory was emailed to the residents in a Neighborhood Update email. If you would like a copy of the directory, would like to be listed in the directory, or would like to change information in the listing, please contact The Waters Assembly at (334) 277-5551 or Info@TheWatersAssembly.com.

The Waters 2024-2025 Neighborhood Representatives

The Neighborhood Representatives serve as a liaison between the Members of the Association in their neighborhoods and the Officers and Directors of the Association. If you have any questions, concerns, or ideas about your neighborhood, please contact the HOA office or your Neighborhood Representative via email or telephone. Thank you to the neighbors listed below for volunteering their time.

How to Spring Clean the Outside of Your Home

CLEAN EXTERIOR

A pressure washer can make quick work of cleaning the outside of your home, but be careful since the extremely high pressure can damage wood and other softer materials. While scrubbing is not necessary with a pressure washer, adding detergent to the reservoir on the machine serves to loosen stubborn dirt and get the job done faster. Be sure to use a cleaner that is made for pressure washers and intended for the type of surface you are cleaning. Cleaners are available for specific applications such as siding, decks, and masonry surfaces. If mold or mildew is present, a mixture of 1 part bleach to 4 parts water can be effective on mold on nonporous surfaces. Wear protective clothing and rubber gloves when working with bleach or other harmful chemicals, and cover or wet down any plants or grass with water before applying. Allow the bleach mixture to remain on for 10 – 15 minutes, and then wash it off with a hose or pressure washer.

CLEAN DECK

Wood decks take a lot of abuse from the elements, and they need a good cleaning from time to time to look their best.

1. Start by applying a specially formulated deck cleaner in a pump up sprayer.
2. Once it has had time to work, clean the deck with a pressure washer—being careful not to damage the wood—or a long handled scrub brush.
3. Rinse the deck, and allow it to dry.
4. If refinishing is needed, apply a sealer or stain with a pump up sprayer, going over it with a brush to smooth it out.
5. Allow the sealer to dry thoroughly before using the deck.

Clean and Repair Screens

Window screens can be cleaned by soaking them in a child's wading pool filled with soapy water, followed by a gentle scrubbing with a soft scrub brush on a flat surface. As a final step, rinse the screen with a garden hose using a fine spray setting to keep from damaging the screen.

To repair small holes in screens, flatten the fibers out and brush on several coats of clear fingernail polish for a seamless repair. Large tears or holes are best fixed by removing the rubber spline from the screen frame and installing a new piece of screen using a screen spline roller tool.

CLEAN WINDOWS

Spring pollen and dirt can work a number on your windows, so take the time to wash them down and clean them once the pollen has settled.

Work in the shade to keep the cleaner from drying out too quickly.

A 50/50 mix of white vinegar and water makes a great natural window cleaner.

Use crumpled up newspaper, rather than paper towels, to clean and dry your windows.

Source: <https://www.todayshomeowner.com>

Golf Cart Insurance

It is important to keep golf cart insurance up to date and on file with the HOA office. The Assembly office will send individual correspondence if an individual's insurance has expired or has not been updated. Please also ensure that each golf cart permit affixed to the front window of the cart has the correct year. Permit colors change every year. Current permits are orange and should read 2025. Please call (334) 277-5551 with any questions.

Insurance Information Needed on File

Certificate Holder Information

The COI must list the following entities as certificate holders: The Waters Assembly, New Waters Realty and Waters Lakes LLC (2239 Marler Road, Pike Road AL 36064).

The certificate of insurance or policy must show the Minimum liability limits of 100/300/100, the dates of the insurance policy, and the list of certificate holders.

Lions Club Recycle Eyeglasses

Usable Glasses Give New Life

Refractive errors can be easily corrected with eyeglasses, yet millions living in low and middle-income countries lack access to basic eye care services. Lions have recognized the urgent need for corrective lenses and collect usable glasses in their communities to support the Lions Recycle for Sight Program.

A glasses donation box is located at The Waters Sales and Information Center at 2239 Marler Road. Please bring all your old glasses Monday-Friday from 8:00 am to 5:00 pm.

PIKE ROAD VOLUNTEER FIRE DEPARTMENT

Dedicated volunteers make it possible for the Pike Road Volunteer Fire Department to respond 24 hours a day / 7 days a week and 365 days a year to both Fire and Medical Emergencies. All personnel participate in ongoing training to better serve our community. TOGETHER we strive to make a difference within our assigned fire district.

If you are interested in becoming a volunteer go to www.pikeroadfire.com/contact.

You can advertise in The Waters Ledger!

If you are interested in advertising in The Waters Ledger Newsletter, please contact The Waters Assembly Staff at (334) 277-5551 or send an email to Info@TheWatersAssembly.com.

Dues Are Due

The Waters Assembly (Homeowners' Association) quarterly dues are due on or before the 15th of the beginning month of each quarter (January, April, July and October). **If you do not have a coupon to include with your payment, please write the Lot number and Address on your check.** If you do not have a coupon book, please contact Rachael Quinn at (334) 277-5551 or email rachael@thewatersal.com.

To better serve members of The Assembly, there are several payment options: (1) Checks can be mailed to **The Waters Assembly c/o Rachael Quinn, 2239 Marler Road, Pike Road, AL 36064.** (Please keep your cancelled check as your receipt for payment.) (2) Checks will be accepted at the Information Center during office hours Monday - Friday 8:00 am – 5:00 pm or by use of the after hours drop box. (**The Assembly does not accept cash.**) (3) Payment can be made by debit/credit card through a PayPal card reader or invoice. This payment option includes a 3.75% convenience fee. (4) Sign up for ACH recurring payments. This option is convenient, and your payment is always on time (even if you're out of town). ACH forms are available on The Assembly website www.TheWatersAssembly.com and at the Information Center.

The Assembly is enforcing all rights and remedies allowed for the collection of delinquent dues. Finance charges will be assessed on all delinquent accounts. To avoid finance charges, attorney's fees and other collection enforcements, dues should be paid by the 15th of the month in which they are due. If you have any questions regarding Assembly dues, please contact Jennifer Akridge or Rachael Quinn at (334) 277-5551.

IMPORTANT NOTICES

Golf Cart and Boat Permits: 2025 golf cart and boat permits are available at the Information Center. Please stop by the office, during business hours, to obtain your new permit. Bring a current copy of your golf cart certificate of insurance if we do not have it on file.

Spring Cleaning: Be thoughtful of your neighbors and make sure your yard, patio, carports, etc. are neat and tidy.

Speeding: Please be mindful of the 18mph speed limit throughout the neighborhood.

Political Signs: All political signs must be removed as they are not ARB approved. Only signs that meet the sign specification and approved by The Waters ARB are allowed.

Lost and Found: Call The Waters Assembly at 334.277.5551 to see if your lost item has been turned in. Found items can be turned into the neighborhood Lost and Found at The Waters Assembly office at 2239 Marler Road.

Yard Signs: All existing yard signs, including school signs, pest control, political, religious, vendor, etc. must be removed as they are not ARB approved. Only signs that meet the sign specification and approved by The Waters ARB are allowed.

Landscaping: For safety reasons, any landscaping growing across the sidewalk or into the right of ways will be trimmed without notice to the individual homeowner. Please maintain your landscaping so that it does not extend across the sidewalk or into the right of ways.

Do NOT Feed The Ducks:

In their natural habitat, ducks don't need any food from humans, whether it's bread or something healthier. They get everything they need from the environment around them.

- Waterfowl can rapidly become conditioned to, and dependent on, handouts.
- Supplementing their diet with anything at all leads to overcrowding, pollution, malnutrition, disease, and loss of natural behavior.
- Fed ducks and geese behave differently. They become more aggressive and eventually lose their wariness of humans.
- Some will not survive because they can't compete.

Turf Damage: Help keep the neighborhood looking beautiful! When the turf is extra wet, please be thoughtful and do not drive on the grass with your vehicle or golf cart.

Architectural Review Board (ARB): Please remember that exterior changes to your house or yard requires approval from the Architectural Review Board (ARB) prior to work commencing. The ARB is in place to ensure that exterior changes enhance our community without infringing on other properties. [Click here for an ARB application](#) or you can visit The Waters Assembly website. The ARB application is included in the "Forms and Documents" section.

Trash: Please do not litter! Do not discard trash and debris onto the streets, greenspace, school trail or empty lots. Also, do not use the town center firepit to dispose of trash, beer bottles, etc. Help us keep the neighborhood looking neat, tidy and beautiful.

Tennis Court Bathrooms: We kindly ask that you close the door to the tennis court bathroom after you've finished using it. If you notice that the bathroom requires any maintenance or attention, please don't hesitate to report this to the HOA office. Thank you!

Severe Weather and Natural Disaster Awareness

Natural disasters such as flood, fire, earthquake, tornado and windstorm affect thousands of people every year. You should know what your risks are and prepare to protect yourself, your family and community.

Recognizing an impending hazard and knowing what to do to protect yourself and your family will help you take effective steps to prepare beforehand and aid recovery after the event.

Some of the things you can do to prepare for the unexpected, such as assembling a supply kit and developing a family emergency plan, are the same for all types of hazards. However, each emergency is unique and knowing the actions to take for each threat will impact the specific decisions and preparations you make. By learning about these specific threats, you are preparing yourself to react in an emergency.

Learn more at ready.gov.

Are You Considering a Home Improvement Project?

All exterior property modifications or improvements require review and approval by the Architectural Review Board (ARB) before work begins. ARB application forms are found online by visiting the “forms and documents” section of the HOA website, located at TheWatersAssembly.com.

TIPS FOR CLEANING YOUR DRYER VENT

HOW OFTEN?

Dryer exhaust vents should be inspected and cleaned at least once a year depending on the size of the household and dryer usage.

WHY?

Dryer vents accumulate highly flammable lint, and failure to clean out lint is the leading cause of dryer fires. According to the National Fire Protection Agency, over 15, 000 dryer fires occurred in the U.S. in 2010. A plugged dryer vent can also burn out the heating element.

WHEN?

A telltale sign that the dryer vent needs cleaning is that clothes take longer and longer to dry. Another indication of poor or obstructed venting is that the dryer's external cabinet or it's control area is hotter than usual. If that happens, disconnect the dryer and check the vent.

HOW?

Visually inspect the outside vent opening and remove any obstructions — usually these are animal nests. Vents at ground level are perfect for rodent nests (chipmunks, squirrels and rats). Upper level vents are more attractive to birds.

Next, tackle the lint. There are several options for removing lint build-up.

- A flexible brush with an extendible wand grabs the lint for easy removal (from \$17-34 at home improvement stores).
- An air compressor blows it out.
- A combination vacuum cleaner and brush sucks it out. (Just make sure the vacuum hose is long enough.)

Whichever method you use, it's important to remove the lint throughout the entire length of the vent.

After removing the lint from the vent, remove it also from the area behind the dryer—the floor, under the dryer and the back of the cabinet.

Does all this sound too complicated? Consider hiring a pro to do it. The average professional dryer cleaning runs \$89-\$179.

Source: today.com

Golf Cart Rules

The off-duty sheriff's deputies will be stopping all golf carts that do not have a 2025 golf cart permit properly displayed. If you do not have a 2025 permit, please contact the Waters Assembly (334) 271-5551.

1. Golf carts may only be driven by persons age 14 or older.
2. All carts must be registered prior to operation within The Waters community.
3. Only golf carts with valid permits shall be allowed to operate within The Waters Community.
4. All golf carts must display valid permit on lower left front passenger window as designated by The Waters Assembly.
5. Golf carts may only be driven between dawn and dusk unless equipped with headlights, tail lights, and brake lights in operating condition.
6. Only electric golf carts (as identified by the manufacture) are allowed. Gas operated carts are not allowed.
7. Four wheelers and other such ATVs are not allowed on The Waters streets or green space.
8. Golf carts should be maintained in a presentable and first-class manner.
9. Golf carts shall be operated with the same caution as exercised in operating a car, and must abide by all traffic regulations applicable to vehicular traffic.
10. Golf carts must yield to on-coming vehicular traffic and pedestrians.
11. Pedestrians shall always be given the right-of-way at intersections and crossings.
12. Golf cart racing, of any form, is NOT allowed within The Waters Community.
13. Golf carts are not allowed on sidewalks or pedestrian designated pathways; unless otherwise authorized by The Assembly Management.
14. Golf carts are to be parked in areas designated for vehicular or golf cart parking except for those areas on private property that are approved as designated golf-cart parking by The Assembly Management.
15. All designated golf cart parking must be located in a screened location behind homes, unless otherwise approved by The Waters ARB.
16. Golf carts can be used for bank fishing so long as use does not damage The Waters property.
17. All passengers must be properly seated while cart is in motion and may not be transported in a negligent manner or in a manner inconsistent with the cart manufacturer's recommendations. The number of passengers shall not exceed the seating capacity of the cart, including the driver.
18. Persons driving the golf cart are prohibited from use of electronic devices while cart is in operation.

"Flowers always make people better,
happier, more hopeful." - Luther Burbank

POOL AND BEACH RULES AND REGULATIONS

1. In case of an emergency, call 911.
2. Access to the pool area is by use of a Resident Card only.
3. Members may have no more than four (4) guests per household at any one time.
4. Members, their families and guests shall use the pool AT THEIR OWN RISK. Members understand that THERE IS NO LIFEGUARD AT THE POOL.
5. All guests MUST be accompanied by a Member of The Assembly age 14 or older. All Members must have their Resident Card with them when using the pool and must present to Management Team or its designated party, if asked.
6. Pool Hours: Lucas Point pool 7:00 am to 9:00 pm. Blue Heron Pool Club 8:00 am to 9:00 pm. Lucas Point and Blue Heron Pool Club pool decks must be vacated by 10 pm. SWIM AT YOUR OWN RISK.
7. No diving.
8. No running, pushing, foul language, boisterous behavior, or general rough-housing permitted in or around the pool.
9. No loud music allowed. Electronics may be used as long as they do not cause a disturbance to others.
10. Minors under the age of 14 must be accompanied by a responsible adult. Minors under the age of 7 require the presence of a parent or guardian. Non-swimmers of any age must not enter the deep area.
11. Persons with contagious or infectious health conditions are not permitted in or around the pool.
12. Pets or animals are not allowed, except for the aid of the physically impaired.
13. No glass containers/articles, sharp metal objects or hazardous objects are permitted in/or around the pool.
14. Gum, tobacco and vaping are not allowed in/or around the pool.
15. No smoking or vaping in/or around the pool or pool deck or pavilion. Violators will be asked to leave and may cause the loss of pool privileges.
16. Food and drink are allowed, but cannot be taken within five (5) feet of the pool or lake. No food or drinks in the pool. All litter must be properly disposed of.
17. Shower before entering the pool. All sand must be washed off in the foot-wash station before entering the pool.
18. Street clothes and shoes are not allowed in the water.
19. Swim diapers must be used on all toddlers at the pool.
20. DO NOT move furniture from the pool deck. Return all pool furniture to a neat and orderly arrangement after use.
21. All trash should be placed in trash receptacles.
22. All toys, play equipment, flotation devices, personal items, etc., must be taken with Member. The Waters is not responsible for any lost or missing items.
23. Members must close all umbrellas upon departure to prevent damage to umbrellas.
24. Management reserves the right to adjust or add any rules as needed without notice.

The Waters Management has the right to ask any party to leave for non-compliance with the above rules. Failure to adhere to these rules may cause the loss of pool privileges.

AMERICAN FLAG ETIQUETTE

Here are a few basic guidelines to keep in mind based on the U.S. Flag Code:

- Make sure the flag never touches the ground or anything below it.
- Do not display the American flag in inclement weather, unless it's an all-weather flag.
- If you want to fly the flag after sunset, keep it well lit.
- When you hang the flag vertically on a flat surface, make sure the Union (blue section) is on the observer's left.

Fun Facts

NATIONAL WALKING DAY

The first Wednesday in April is National Walking Day and it encourages Americans of all ages to get out and stretch their legs and get their hearts pumping. The American Heart Association sponsors this day to remind people about the health benefits of taking a walk. Wear your sneakers (or take them with you) to work, and at some point, in the day, take a 30-minute walk. Tip: Discover the beauty of our neighborhood as you take a stroll by the stunning lakes!

NATIONAL LEMONADE DAY

National Lemonade Day on the first Sunday in May encourages the entrepreneurial spirit in young people all across the country. Not only is the celebration a time to enjoy a refreshing glass of lemonade, but more importantly, it is a day to give youth an opportunity to experience the taste of success. Imagine taking advantage of the neighborhood's amenities, like lounging by the pool or casting your line while sipping a cool glass of lemonade or taking a leisurely stroll by the lakes.
