Ho ho ho!

FREE NOTARY SERVICE

at The Waters Assembly Office
No Charge to The Waters residents

Appointment Required

It was a great summer full of so many wonderful events that we are very thankful so many of you were a part of. We are excited that fall is finally here, and we have a lot of upcoming events to look forward to. You can read more details about the events in this newsletter or visit the events tab at The Waters Assembly website – www.thewatersassembly.com. We hope that everyone can come out and enjoy our events!

Note from the Assembly Manager

The neighborhood meetings were a success, and we appreciate all the neighbors who participated. The following residents were elected, by the neighbors, to serve as the 2023-2024 Neighborhood Representatives.

- Dale Entrekin – Neighborhood A
- Mark Spurlin – Neighborhood B
- Gary Weaver – Neighborhood C
- Coleen Coles – Neighborhood D
- Hannah Hawk – Neighborhood E
- Neighborhoods F, G and H can contact the Information Center

The Neighborhood Representatives serve as a liaison between the Members of the Association and the Directors and Officer of the Association. We appreciate each Representative that has agreed to volunteer to serve their community.

The Waters Annual Association Meeting is set for Monday, November 6th, at 6:00 PM at The Chapel at The Waters. The Bylaws of The Assembly state the following guidelines regarding the Annual Association Meeting: “In order to maintain an orderly meeting, only Class E Member and the Neighborhood Representatives are allowed to speak at the Association Meeting.” This is the meeting to present and approve the 2024 budget. Residents are welcome to attend.

We are excited to welcome all our new residents and thankful for each person who calls The Waters home!

Jennifer Akridge, Assembly Manager

The Waters 2023 Fishing Guidelines

Catch and Release Guidelines:

- Release all Bass.
- Release all Crappie.
- Limit the number of bluegill and shell crackers to 10 per person per day.

Harvest Guidelines:

- Harvest all catfish when caught. Note: catfish compete with the bass for the limited food supply so please harvest. Thank you for helping to remove the catfish.

From Southeastern Pond Management Evaluation of Lake Cameron, 2023

THE HISTORY OF

VETERANS DAY

It was at 11:00 am on November 11, 1918 that a temporary peace, or armistice, was signed and the fighting during World War I came to an end. A year later President Woodrow Wilson announced that November 11th would be called Armistice Day in the United States.

In 1938 Armistice Day became a national federal holiday. It was a day dedicated to world peace and held in honor of the veterans of World War I.

In 1954 Congress decided to change the day to Veterans Day. This was because they wanted to honor the veterans of all wars including World War II and the Korean War.

There were a few more changes to the day. In 1968 the day was moved to the fourth Monday of November. However, it was later changed back to November 11th in 1978 by President Gerald Ford.

The Town of Pike Road Meeting Information

Town Council Meetings

The Pike Road Town Council meets the second Monday of every month at 6:00 pm (or immediately after the Planning Commission meeting, but not before 6:00 pm) and the fourth Wednesday of every month at 7:00 am. Meetings are held in the council chamber at Pike Road Town Hall.

Planning Commission Meetings

The Pike Road Planning Commission meets the second Monday of every month at 5:30 pm. Meetings are held in the council chamber at Pike Road Town Hall.

For more information, contact The Town of Pike Road at (334) 272-9883.

The Town of Pike Road observes federal holidays. In the case that a town council and/or planning commission meeting falls on one of these holidays, the meeting(s) will be moved to the following business day or as announced. For information purposes only, please contact The Town of Pike Road for details and guidelines related to social distancing.

ARB SUBMISSION TIPS

Please remember that all exterior changes made to your property require approval from The Waters Architectural Review Board. When you submit a request for exterior modifications to the ARB, please include pictures and a rendering of the plan. This prevents unnecessary delays in processing your application for any projects. The rendering can be done either by you, or by the company you are using for the exterior improvements. ARB applications can be found on our website at TheWatersAssembly.com or can be picked up at the Information Center. (2239 Marler Road).

The Waters Directory

The Waters Directory Fall 2023 update is complete. A copy of the directory was emailed to the residents in a Neighborhood Update email. If you would like a copy of the directory, would like to be listed in the directory, or would like to change the listing, please contact The Waters Assembly at (334) 277-5551 or TheAssembly@TheWatersAL.com.

Cormorant Season is Here

Cormorant season has begun. It runs from October through March. The Assembly team purchased pyrotechnic guns (noise only) to scare the pesky birds away. The reason the cormorant birds are such a problem is because each bird can eat as much as one or two pounds of feeder fish a day and there can be as many as two thousand on the lake at one time. Please do not be alarmed if you hear the noise from the pyrotechnic guns.

The Waters 2023-2024 Neighborhood Representatives

The Neighborhood Representatives serve as a liaison between the Members of the Association in their neighborhoods and the Officers and Directors of the Association. If you have any questions, concerns, or ideas about your neighborhood, please contact the HOA office or your Neighborhood Representative via email or telephone. Thank you to the neighbors listed below for volunteering your time.

Neighborhood A - Dale Entrekin

Cell: (334) 303-1640
Email Address: rdentrekin@gmail.com

Neighborhood B - Mark Spurlin

Cell: (334) 430-2974
Email Address: markbspurlin@gmail.com

Neighborhood C - Gary Weaver

Cell: (334) 235-0116
Email Address: gdweaver65@gmail.com

Neighborhood D - Coleen Coles

Cell: (334) 430-7777
Email Address: cpcoles48@gmail.com

Neighborhood E - Hannah Hawk

"If the leaves are changing, I feel poetry in the air."
- Laura Jaworski

Please clean up around the lake edge and green space when fishing! It is important to dispose of all trash, fishing line etc. Remember to leave only footprints when fishing at The Waters.

PEPPERMINT POKE COKE

INGREDIENTS

- 1 box chocolate cake mix, plus ingredients called for on box
- 1 tsp. peppermint extract
- 2 1/2 c. marshmallow cream
- 1 tbsp. water
- 2/3 c. crushed candy canes, divided
- 2 c. Whipped topping
- Chocolate fudge sauce, for garnish

DIRECTIONS

1. Preheat oven to 350° and grease a 9"-x-13" pan. Prepare chocolate cake mix according to package directions with the addition of mint extract and bake until a toothpick inserted in the center comes out clean, about 25 minutes.
2. Poke cake all over with a peppermint stick or the bottom of a wooden spoon. In a small bowl, microwave marshmallow cream and water for 1 minute, then stir until smooth. Stir in 1/3 cup crushed candy canes, then pour all over cake, making sure to fill the poked holes.
3. Frost cake with whipped topping and garnish with remaining crushed candy canes and fudge sauce. Serve.

HALLOWEEN SAFETY TIPS

COSTUMES:

Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors. Choose face paint and make up whenever possible instead of masks, so as not to obstruct vision. Have kids carry glow sticks or flashlights to help them see and be seen by drivers. When selecting a costume, make sure it is the right size to prevent trips and falls.

WALKERS:

Cross the street at corners, using crosswalks if available. Look left, right and left again when crossing and keep looking as you cross. Put electronic devices down, keep head up and walk, don't run across the street. Teach children to make eye contact with drivers before crossing. Always walk on sidewalks or paths. Walk the most direct routes with the fewest street crossings. Watch for cars that are turning or backing up. Never dart out into the street or cross between parked cars.

DRIVERS:

SLOW DOWN and be especially alert in residential neighborhoods. Take extra time to look for kids at intersections, on medians and on curbs. Enter and exit driveways and alleys slowly and carefully. Get rid of any distractions – like your phone – in your car so you can concentrate on the road and your surroundings. Turn your headlights on earlier than usual so you can spot children and children can spot you.

How to Prep Your Home for Fall

If only all the fall prep your home needed was a pumpkin spice candle and new wreath to hang on the front door! While those are nice touches to add to your home for the upcoming season, more needs to be done to ensure your home is ready for cooler temps. Here are some great tips to get your home ready for fall!

CHANGE AIR FILTER

This is one of the best ways to extend the life of your HVAC. Keep a fresh filter on hand and change it as directed. Another way to protect your HVAC is seasonal check-ups. Have a licensed HVAC specialist take a look at your system to keep it in optimal shape.

CHANGE BATTERIES

Change your smoke detector, carbon monoxide batteries and test the alarm. You never know when you'll need it and smoke detectors play a critical role in protecting your family from unforeseen harm. You'll want to change the batteries on an annual basis (or whenever you hear it start chirping) and test the alarm at least once a month.

CLEAN GUTTERS

Clean your gutters and clear leaves from around your exterior. Gutters are your home's first line of defense in flash floods as they divert rainwater away from your home. Gutters moving water away from the base of your home keeps rainwater out of your basement or crawl space. Fallen leaves not only deprive your lawn of sunlight during the fall and winter months, they also can weaken your root systems and can hold moisture for an extended time around the base of your home.

PROTECT OUTDOOR FAUCETS

Drain your outdoor faucets and place a foam faucet cover over the spigot. These are usually around \$1.00 from the hardware store and provide insulation during freezing temperatures. A good rule of thumb is to leave them covered when temperatures are expected to be below 30 degrees.

SEAL DRAFTY WINDOWS

Check your window and door seals and apply seals where necessary. Weather-stripping helps boost winter warmth and cuts energy costs by creating a better seal on your exterior openings, but in some instances, caulk may need to be used to seal cracks between the frame and a door or window.

FERTILIZE YOUR LAWN

If you want to keep your lawn looking great in the spring and summer, you need to prep it for the fall and winter. Roots are still active when the grass isn't growing, so applying fertilizer will prevent winter damage. Doing this is crucial in helping your lawn turn green faster in the spring.

CUT GRASS SHORT

Just this one time of the year, set your mower to cut 1-1/2 or 2-in. and mow your grass short. Tall grass blades won't lie down and smother the new grass next spring.

CLEAN AND INSPECT FIREPLACE

The right time to clean and inspect your fireplace is before you need to use it regularly. Grab a flashlight and look up inside your fireplace flue to make sure the damper opens and closes properly. Open the damper and look up into the flue to make sure it's free of birds' nests, branches and leaves, or other obstructions. You should see daylight at the top of the chimney. Now is also a great time to call a professional chimney sweep for maintenance!

Information from centrAL INC! – Central Alabama Business Journal

Community Classifieds 2023

Want to offer a service to other Waters residents such as babysitting services or yard maintenance? Want to sell something? Want to buy something? If so, call the Information Center to add your listing to The Waters Classifieds. The cost for each listing is only \$10 per newsletter. A listing may contain no more than 35 words / numbers. All listings and payments must be submitted to the Information Center no later than the 1st of the months January, April, July, and October. The Waters Management, at its discretion, can deny listings by homeowners with delinquent accounts or listings with questionable content. (Payments must be made by check to The Waters Assembly and checks must be from a Waters resident.)

Sugar – Specializes in curating on trend, affordable clothing and accessories for women. Our size range is S-Plus. New shipments arrive weekly always offering our customers fresh and stylish options. Contact April Evans (334) 322-7430 Email:shopsugarclothing@gmail.com

Trip Planner – I specialize in all Disney travel. Disney World, Disneyland and Disney Cruise Line and Adventures By Disney. I also sell a lot of Sandals and Beaches vacations and trips to Atlantis. See me to make memories happen. Neighbor, Emily Roach- Phone: (334)462-4699. Email: emily1125@me.com

Montz Jewelers – Provides custom jewelry designs, jewelry repair, ring sizing and jewelry sales. Contact Randy Montz at (334) 279-8616 or (334) 549-2650 for appointments. All work is guaranteed!

“Every leaf speaks bliss to me,
fluttering from the autumn tree.” - Emily Brontë

Quick Glance Map of Neighborhood Designations

Thank you to all of the volunteers for Kids Club events this summer!

How your neighbors feel when your carport is CLEAN

Mark your calendars....

THE POOLS ARE CLOSING

OCTOBER 15

The pool decks will remain open for use until 10:00 pm, but no swimming will be allowed until April 15, 2024.

For questions, call: (334) 277-5551

Are you hosting a special event?

The Waters venues are available for residents in good standing with The Assembly to rent for special events. A venue rental allows you to exceed the 4 guests per household rule. The venues available to rent include the Lucas Point Pavilion and grill (this does not include access to the Lucas Point pool), the Marina, and the Blue Heron Pool Club. During pool season from April 15th through October 15th, the Blue Heron Pool Club can only be rented on Tuesdays. The Venue Rental Agreement can be found on our website at TheWatersAssembly.com or picked up at the Information Center.

*"Life starts all over again when it gets crisp in the fall."
- F. Scott Fitzgerald*

30 Easy Ways to Slow Down and Enjoy Fall

1. Invest in a box of assorted spiced teas to enjoy in the mornings and evenings.
2. Treat yourself to a soft blanket or throw. They are perfect for chilly evenings or for use while reading.
3. Head to the library and pick up some romance novels to enjoy.
4. Eat dinner outdoors for the last few times, even if it means wearing a sweater or light jacket.
5. Host a cocktail and dessert night with friends on the patio. Enjoy pumpkin spice drinks, desserts, and more.
6. Take the kids on evening strolls while the weather is still nice.
7. Go on a leaf hunt. Preserve your favorite fall leaves and frame them.
8. Take kids on a fall nature hunt. Look for signs of the changing season such as colored leaves, animals with thicker coats, and bare trees.
9. Make leaf rubbings with your children and display them.
10. Buy a box of hot chocolate and enjoy it on the patio or deck.
11. Start knitting or crocheting cold-weather accessories such as mittens and scarves.
12. Enjoy some classic movies when you settle in for the evening.
13. Pull out your favorite crockpot recipes and start cooking some hearty meals.
14. Make a pot of your favorite chili recipe or stew.
15. Try baking your own bread. Invite friends over to share it with you.
16. Switch out your K-cups with fall flavors and spice blends.
17. Make some homemade pumpkin spice mix and find recipes or crafts to use it in.
18. Go apple picking with family or friends.
19. Pick up some maple donuts and cider for breakfast.
20. Build a scarecrow out of old clothing and accessories.
21. Visit local parks for the last few times while the weather is still pleasant.
22. Collect acorns for the birds and other animals to eat.
23. Watch a beautiful fall sunset.
24. Take out your camera and catch some photos of fall in action.
25. Have a good old fashioned leaf fight. Don't be afraid to jump in a pile of leaves.
26. Enjoy fall produce such as squash and corn.
27. Visit a local pumpkin patch. Carve and decorate your pumpkins.
28. Bake something delicious using apples.
29. Add some fall colors to your home decor. Burnt orange, red, dark green, and yellow are great choices.
30. Try some fall scented candles or air fresheners in your home or office.

Stop, Drop and Roll!

Fire Safety Tips

The Pike Road Fire and Rescue Department would like to share/offer some fire safety advice. Readers should note that all fire situations are different and it is difficult to give fail-proof general advice. We believe the information contained on these pages may prove useful in some situations, however; additional safety measures may be required under particular circumstances.

Fires create tragedies every day. Educating the public on methods of fire prevention is one of the ways to assist in alleviating harm to your family and home. Education and knowledge on how to deal with potential dangerous situations makes one more confident if the need ever arises. Being prepared for emergencies could be the thing that saves you or someone in your family.

Practice fire drills in the home to make sure all family members know what to do in the event of a fire. Draw a floor plan with at least two ways of escaping every room. Make sure the plan shows important details: stairs, hallways, and windows that can be used as fire escape routes.

Get out immediately, don't try to grab your possessions as they can be replaced. **YOU CAN'T!**

If you encounter smoke on your way out of the fire, crawl low under the smoke to your exit.

Feel all doors before opening them. If a door is hot, exit another way. If your clothes catch on fire, stop where you are, drop to the ground, cover your face with your hands to protect your face and lungs and roll over and over to smother the flames.

Have a pre-determined location for everyone in the home to meet so each person can be accounted for.

You should not place the 911 call to emergency services from inside the home. It is best to get out and place the call to fire authorities from a safe location outside the home such as a neighbor's home or use a cell phone.

Provide as much information as possible to the dispatcher including the location of the emergency and what is burning.

You can advertise in The Waters Ledger!

If you are interested in advertising in The Waters Ledger Newsletter, please contact the Information Center Staff at (334) 277-5551 or send an email to TheAssembly@TheWatersal.com.

Dues Are Due

The Waters Assembly (Homeowners' Association) quarterly dues are due on or before the 15th of the beginning month of each quarter (January, April, July and October). **If you do not have a coupon to include with your payment, please write the Lot number and Address on your check.** If you do not have a coupon book, please contact Rachael Quinn at (334) 277-5551 or email rachael@thewatersal.com.

To better serve members of The Assembly, there are several payment options: (1) Checks can be mailed to **The Waters Assembly c/o Rachael Quinn, 2239 Marler Road, Pike Road, AL 36064.** (Please keep your cancelled check as your receipt for payment.) (2) Checks will be accepted at the Information Center during office hours Monday - Friday 8:00 am – 5:00 pm or by use of the after hours drop box. (The Assembly does not accept cash.) (3) Payment can be made by debit/credit card through a PayPal card reader or invoice. This payment option includes a 3.75% convenience fee. (4) Sign up for ACH recurring payments. This option is convenient and your payment is always on time (even if you're out of town). ACH forms are available on The Assembly website www.TheWatersAssembly.com and at the Information Center.

The Assembly is enforcing all rights and remedies allowed for the collection of delinquent dues. Finance charges will be assessed on all delinquent accounts. To avoid finance charges, attorney's fees and other collection enforcements, dues should be paid by the 15th of the month in which they are due. If you have any questions regarding Assembly dues, please contact Jennifer Akridge or Rachael Quinn at (334) 277-5551.
