THE BROFISH EXPERIENCE

A musical time machine built around the songs people remember.

A SOUND THAT BRINGS THE ERA BACK

The BroFish Band is a high-energy Hootie & The Blowfish and Darius Rucker tribute experience built around the music, memories and unmistakable spirit of an era. Fronted by Todd Mertens, whose powerful vocal performance captures the distinctive tone, phrasing, vibrato and character associated with Darius Rucker, The BroFish recreates the sound that made Hootie a defining force of the 1990s while celebrating Rucker's later musical journey. More than a collection of songs, The BroFish delivers a carefully crafted live experience combining dynamic musicianship, storytelling, audience interaction, memorable sing-alongs and emotional highs and lows. The result is a musical time machine that brings generations together to remember, relive and celebrate.
