MEET OUR CAMP STAFF

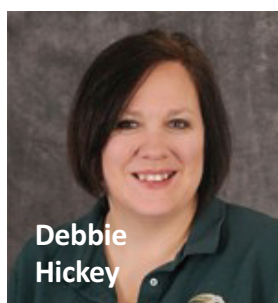

We are often asked, "What makes your camps so successful and large?" The answer is very simple: our staff. We have been together for years, and we work together very well. Everyone does their job and takes pride in seeing that it is done in a professional manner. If you have a problem at our camp and bring it to our camp staff's attention, you will have your problem resolved to your satisfaction. We would appreciate being made a part of your summer program and our effort level will reflect that appreciation. We guarantee it.

Matt Potter

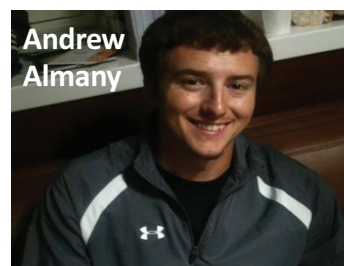

Gabrielle, Micha and Miriam Hill

To be honest, our team is not very good, but from the minute we walk in the gym we were treated like state champs! Thank you.

Andrew Almany

Dave Almany

Dave started the Licking Summer Camps in 1993. He spent 33 years in education as an athletic director and building principal in MO, AR and KS. His career record as a varsity boys' basketball coach is 306-105. His record as a varsity girls' basketball coach is 35-19. His teams won seven district championships, six conference titles and played in three final fours. Dave's camp duties include camp site schedules, facilities and all promotions.

Sam Potter

Sam is a long time successful girls' basketball and volleyball coach. He retired from Rolla High School in 2004 after 32 years of coaching. He came out of retirement in 2007 to lead the Newburg girls to a district title. His Santa Fe teams played in numerous volleyball and basketball state tournaments. He is a member of the Missouri Basketball Coaches Hall of Fame. Sam does all of our basketball scheduling and runs our camp web site.

Jim Pritchett

Jim is a long-time associate of our camps. After beginning his career at Jefferson City High School, in 1997 Jim became the head boys' basketball coach at Rolla High School. After a successful seven year run with the Bulldogs, he began an administrative career and is now the Principal at Rolla High School. Jim has the major camp task of overseeing all Rolla camp sites, volleyball schedules and basketball officials.

Andrew Almany

Andrew enters his eighth year of administrating our camps. He was a four sport all-state athlete at Licking High school and a multi-sport collegiate athlete. Currently, he is a lead salesman for Johnny Mac's Sporting Goods and is owner/operator of the rapidly growing Heart of the Ozarks Screen Printing Shop. Andrew oversees all of our Branson Camps and hires officials for all of our non-Rolla basketball camps.

Frequently Asked Questions

Q: Who will we play?

A: We use several factors in building the camp schedule. First, we attempt to match your team against opponents of equal ability. Next, we schedule you against teams who you normally do not see during the regular season. And finally, we allow teams traveling the greatest distance to play later on Day 1. Teams who are commuting to and from camp on Day 1 will finish earlier in the day.

Q: Can we bring more than one team?

A: Yes, and we encourage schools to do so by scheduling your teams to play at the same locations and during similar times.

Q: Do you have a separate division for junior varsity and junior high teams?

A: No. We have found it to be more convenient for you if we do not. It is easier to keep all of your teams together. Many of the smaller schools are very competitive with some of the larger schools' sub varsity teams. The tournament is bracketed by ability and your younger teams will be put in divisions where they are competitive.

Q: Is one camp better for a small school to attend?

A: All camps are of about the same level of talent. We are confident that we can arrange a competitive schedule for your team.

Q: Can this camp serve as a team bonding experience?

A: Absolutely, and we encourage you to treat it as such. This is an inexpensive way for your team to bond in a competitive, fun-filled way. Both the Rolla and Branson Camps offer great money saving inclusive packages and the coach in Rolla is free!

Q: What types of activities are available?

A: At our Rolla camps, we host a swim party, ice cream/pie social and a Beach Party Cook Out for all the players and coaches. This is a good way for your players to meet kids from other schools and for coaches to socialize. Also, many teams in the past have taken advantage of this area's many fine floating streams by staying over on Saturday night and participating in a team float trip on Sunday. We can secure for you a special rate with one of the area's many outfitters, if you so desire. Branson, obviously, offers a great opportunity for fun and safe activities.

Q: How do I know this camp will be as good of an experience as you say?

A: Talk to any of the coaches who have attended in the past. If any of them tell you this is not a good camp, then don't come. We are confident that the feedback you receive will be positive. There is a reason why near 800 of your fellow coaches decided to attend last summer.

Q: How will we get our schedules?

A: All of our schedules and coaches' packets are posted online approximately 5 days before camp. With camps as large as ours, there will obviously be constant changes to the schedules. Coaches have the convenience of the World Wide Web in checking scheduling updates. Your coach's online packet will contain all of the information you need; schedules, directions, rules and other camp information. www.lickngcamps.com will provide you with all of the camp communication needed.

Q: At what time would we play on the first day?

A: It depends on how far you have to travel. Teams traveling a great distance have the option of arriving the evening before camp and playing early on day 1, the advantage being that they will also be finished early on day 1; or you can travel on the first morning and not play until the afternoon.

Q: What if I have other questions?

A: Call or e-mail anytime. 636-232-4688 or dave@lickngcamps.com
