MEET OUR CAMP STAFF

We are often asked, "What makes your camps so successful and large?" The answer is very simple: our staff. We have been together for years and we work together very well. Everyone does their job and takes pride in seeing that it is done in a professional manner. If you have a problem at our camp and bring it to our camp staff's attention, you will have your problem resolved to your satisfaction. We would appreciate being made a part of your summer program and our effort level will reflect that appreciation. We guarantee it.

"To be honest, our team is not very good, but from the minute we walk in the gym we were treated like state champs! Thank you."

2020 Frequently Asked Questions

Q: Who will we play?

A: We use several factors in building the camp schedule. First, we attempt to match your team against opponents of equal ability. Next, we schedule you against teams who you normally do not see during the regular season. And finally, we allow teams traveling the greatest distance to play later on Day 1. Teams who are commuting to and from camp on Day 1 will finish earlier in the day.

Q: Can we bring more than one team?

A: Yes, and we encourage schools to do so by scheduling your teams to play at the same locations and during similar times.

Q: Do you have a separate division for junior varsity and junior high teams?

A: No. We have found it to be more convenient for you if we do not. It is easier to keep all of your teams together. Many of the smaller schools are very competitive with some of the larger schools' sub varsity teams. The tournament is bracketed by ability and your teams will be put in divisions where they are competitive.

Q: Is one camp better for a small school to attend?

A. All camps are of about the same level of talent. We are confident that we can arrange a competitive schedule for your team.

Q: Can this camp serve as a team bonding experience?

A: Absolutely, and we encourage you to treat it as such. This is an inexpensive way for your team to bond in a competitive, fun-filled way. Both the Rolla and Branson Camps offer great money saving inclusive packages!

Q: What types of activities are available?

A: At our Rolla camps, we host a swim party and a Beach Party Cook Out for all the players and coaches. This is a good way for your players to meet kids from other schools and for coaches to socialize. Also, many teams in the past have taken advantage of this area's many fine floating streams by coming in a day early or staying over on the last night of camp and participating in a team float trip the next morning. We can secure for you a special rate with a reputable area outfitter, if you so desire. Branson, obviously, offers a great opportunity for fun and safe activities.

Q: How do I know this camp will be as good of an experience as you say?

A: Talk to any of the coaches who have attended in the past. If any of them tell you this is not a good camp, then don't come. We are confident that the feedback you receive will be positive. There is a reason why near 800 of your fellow coaches decided to attend last summer.

Q: How will we get our schedules?

A: All of our schedules and coaches' packets are posted online approximately 5 days before camp. With camps as large as ours, there will, obviously, be constant changes to the schedules. Coaches have the convenience of the World Wide Web in checking scheduling updates. Your coach's online packet will contain all of the information you need; schedules, directions, rules and other camp information. www.lickingcamps.com will provide you with all of the camp communication needed.

Q: At what time would we play on the first day?

A: It depends on how far you have to travel. Teams traveling a great distance have the option of arriving the evening before camp and playing early on day 1, the advantage being that they will also be finished early on day 1; or you can travel on the first morning and not play until the afternoon.

Q: What if I have other questions?

A: Call or e-mail anytime. 636-232-4688 or daye@lickingcamps.com
