LICKING SUMMER CAMP BASKETBALL RULES MODIFICATIONS

- 1. All games must start on time.
- 2. Games will be played in two 15 minute halves with a running clock. The clock will stop in the last minute of each half.
- 3. All fouls in the act of shooting will result in one point and the ball being awarded to the offended team. All non-shooting fouls of under five fouls in a half will result in the ball being awarded to the offended team. On the fifth team foul of the half, (with the exception player control fouls) and on each subsequent foul, a point and the ball will be awarded to the offended team. A player control foul will result in the ball being awarded to the offended team.
- 4. A player who is fouled in the act of shooting, and the shot is successful, will be awarded three points and possession of the ball will be given to the other team.
- 5. In the last minute of each half, regulation rules will apply, and free throws will be shot.
- 6. If a team is down by 15 or more points in the last minute of the game, the mercy rule will apply and the clock will run without stopping. Exception: The one and one rule will go into effect on five fouls..
- 7. Overtime will be decided by the first team to score two points.
- 8. Individual fouls will not be kept.
- 9. A technical foul will result in two points and the ball awarded to the other team. (I instruct our officials that I do not want technical fouls called. Summer time should be a time of learning for everyone. I expect the adults to act like adults and if a player is having a problem with behavior, I expect the coach, not the officials, to correct it.
- 10. Three 30-second time outs per team per game.
- 11. Half time will be two minutes.
- 12. Time between games will consist of five minutes.
- 13. All other National Federation Rules will apply.
- 14. Note: These rules are designed to keep the games moving, but also to discourage excessive fouling by the awarding of points.

2021 Frequently Asked Questions

Q: Who will we play?

A: We use several factors in building the camp schedule. First, we attempt to match your team against opponents of equal ability. Next, we schedule you against teams who you normally do not see during the regular season. And finally, we allow teams traveling the greatest distance to play later on Day 1. Teams who are commuting to and from camp on Day 1 will finish earlier in the day.

Q: Can we bring more than one team?

A: Yes, and we encourage schools to do so by scheduling your teams to play at the same locations and during similar times.

Q: Do you have a separate division for junior varsity and junior high teams?

A: No. We have found it to be more convenient for you if we do not. It is easier to keep all of your teams together. Many of the smaller schools are very competitive with some of the larger schools' sub varsity teams. The tournament is bracketed by ability and your teams will be put in divisions where they are competitive.

Q: Is one camp better for a small school to attend?

A. All camps are of about the same level of talent. We are confident that we can arrange a competitive schedule for your team.

Q: Can this camp serve as a team bonding experience?

A: Absolutely, and we encourage you to treat it as such. This is an inexpensive way for your team to bond in a competitive, fun-filled way.

Q: How do I know this camp will be as good of an experience as you say?

A: Talk to any of the coaches who have attended in the past. If any of them tell you this is not a good camp, then don't come. We are confident that the feedback you receive will be positive. There is a reason why near 800 of your fellow coaches decided to attend last summer.

Q: How will we get our schedules?

A: All of our schedules and coaches' packets are posted online approximately 5 days before camp. With camps as large as ours, there will, obviously, be constant changes to the schedules. Coaches have the convenience of the World Wide Web in checking scheduling updates. Your coach's online packet will contain all of the information you need; schedules, directions, rules and other camp information. www.lickingcamps.com will provide you with all of the camp communication needed.

Q: At what time would we play on the first day?

A: It depends on how far you have to travel. Teams traveling a great distance have the option of arriving the evening before camp and playing early on day 1, the advantage being that they will also be finished early on day 1; or you can travel on the first morning and not play until the afternoon.

Q: What if I have other questions?

A: Call or e-mail anytime. 636-232-4688 or dave@lickingcamps.com
