JUST BE KIND

These food boxes were donated to our community through the youth of Hendricks County. They are fully stocked and are located at the Amo Baptist Church and the Trinity Center.

"The kids of the Just Be Kind Club make all the financial decisions on how to use the profits from the sale of our shirts, signs and other swag. During these current times they recognize food is a huge issue for a lot of our neighbors and building the food boxes and adding food to them is the club's way to help out. Thank you Pastor Shelly of First Baptist of Amo for reaching out to the Just Be Kind Club and requesting two blessing food boxes for Amo. We are truly in this together - helping our neighbors who are struggling with food insecurity."

9/11 DINNER & FALL FESTIVAL

At the July 2, 2020, Town Council meeting the difficult decision was made to not hold the 9/11 Dinner and Fall Festival this year. These two events have been very special and important to our residents and surrounding communities, so please know that it saddens us to make this decision. With COVID-19 still a serious pandemic, the Town Council wants to do what is best for the health and safety of our community. We look forward to hosting these events next year.

To all first responders, we are proud of you and THANK YOU for your dedication, care, commitment and service!!

“LETTERS” TO THE EDITOR

Our newsletter distribution includes many former Amo residents, or who lived close to Amo. Here are e-mail messages from a few of them:

“You really do a great job with this newsletter, Becky. It seems you are grabbing the torch as newspapers are fading. Quite amazing. Our News-Gazette here in Champaign has been shrinking and shrinking but is still hanging on as of now. There are many places to get news these days, but mostly it is global, national, or state. News papers were the source of local news, especially in non-metro areas like ours. I think what you do is really valuable for your community and I hope you get lots more good feedback from it. *Ruth Jeffs Wegman*

“Even though I have not lived near Amo since 1958, I do read all the news letters. Thanks for doing a good job! *Morris Stubblefield*

“Very nice newsletter that the team obviously puts a lot of effort into! Go ACES!!” *Jerry Phillips*

Mill Creek 5th Graders normally have a ceremony at the end of the school year to honor their "graduating" to Middle School. Although the ceremony was not possible this year, the 5th grade students were still honored!

**MILL CREEK SCHOOL CORPORATION
(Continued)**

On Friday, May 15, 2020, Mill Creek School Corporation Teachers and Staff celebrated the last day of school for this year with a parade! The route started at Cascade High School and proceeded through Clayton, Hazelwood, Stilesville, Coatesville and Amo.

CONGRATULATIONS TO...

*Heather Brewster
Cascade Middle School
Special Education Teacher*

All school year, WISH-TV and Bailey and Wood honored some of central Indiana's top teachers — teachers nominated by students and their families, for the incredible work they do. Each teacher won the Golden Apple Award and \$500.

Heather was chosen for March, 2020, and then in June was named Golden Apple Grand Prize Winner and awarded \$1,000

"I love my job. I love my kids. I love their families," she told WISH-TV. "Seeing their successes, that's what keeps me going every day."

Have a wonderful summer!

The "Love of Christ" welcomes all to Amo!

That is the symbolism behind the new (non denominational) faith based signs welcoming you, your family and visitors into the Town of Amo.

The signs are red, white and blue, and the color scheme is a "sign" of the patriotism of the townspeople. There are a

number of veterans who worship in each congregation, along with family members who have/are serving our great Nation. The color selection also exemplifies the spirit of our Town's patriotism; we are all very proud to be Americans! The red, white and blue format beautifully coincides with the Town of Amo newsletter.

The Cross is self explanatory, symbolically representing the life, death and resurrection of the Savior of humanity, the Son of God, Jesus Christ. The Cross is also a universal symbol of faith for all who should call upon the name of Jesus Christ. It is our joyous symbol of salvation, faith and celebration!

The red heart represents the immeasurable LOVE of Jesus Christ (the LOVE of God) poured out for humanity. It is also a reflection of the name of our Town, "Amo". Amo is the root word in many languages meaning LOVE, an agape love. A sign that we hope will represent every Christian in our Town no matter where you choose to worship God.

The Amo United Methodist and American Baptist Churches hope that our community enjoys the signs for many years to come. Please consider joining the ministry of God at one of your local Churches. Each Church and its congregation has been a part of the history of our community for well over one hundred years and we wish to continue to be a vital part of the community for many more years to come. We need YOU to make that happen!

God bless you, your families and our community!

AROUND TOWN (Continued)

Care and passion are words that come to mind when talking with Willard Lydick about his 40+ years of helping oversee the Amos Cemetery.

Willard was coaxed into joining the Cemetery Association by Morris Newby years ago when Morris was ready to step back from the board. After being Chair for 27 or 28 years, he stepped down in 2019; however, he continues on the Board. The current Amos Cemetery Association includes: Tim Baldwin, Chair; Barb Strahl, Secretary/Treasurer; Willard Lydick and Mark Belford. Past members have included Harry Lambert, Harley Brown, Ed Jackson, Richard Eyler, Bob Greenlee, Roger Carter, Leorn Davis, Morris Newby, Jerry Stephenson. Names also found were of a Harmon, Masten and Edwards. After Jim Carter retired he mowed the cemetery grounds for several years.

There are over 1,000 graves in the cemetery which is divided into three parts: The east section is referred to as Carter; center section is Carter 2nd; west is Phillips. In the east section there are several graves of Veterans from the Civil War (1861-1865). The south section which is not yet open for lots, will be the Willard Lydick section. In the 1980's someone did a class research paper. They determined the first grave was in 1806.

As you can imagine, there is a lot of time and care that goes into the maintenance of the grounds. Willard mows the south section and Willard's daughter, Sharon Lydick Anderson, and Don Wingler maintain the remainder of the cemetery grounds. Willard expressed that he is proud of the good job that Sharon and Don do!

AMO CEMETERY (Continued)

Thanks to Mark Belford, Tim Baldwin and Dudley Wallace a new flag pole and flag were placed in the cemetery just in time for Memorial Day. It is pictured at the beginning of this article.

The Amos Cemetery Association meets annually or for special called meetings when deemed appropriate. This year's Annual Meeting scheduled for this past February was postponed due to COVID-19. Primary responsibilities for the board include: selling lots, maintaining the grounds, repair of older grave stones that no longer have living family, removing old flowers. A few years ago the association was bequeathed a "chunk of money" that has helped maintain the grounds. Cemetery plots are \$200.00. Donations for the Cemetery are always welcome and should be mailed to Amos Cemetery Association, P.O. Box 24, Amos, IN 46103. If you or someone you know would like to make Amos Cemetery your final resting place, please contact Tim Baldwin @ 317.539.2231.

A bit of personal information on Willard—he and Madge and family are former Amos residents. When he returned from his military service, he lived on Pearl Street and then in the house to the south of the First Baptist Church of Amos's parsonage; Cleo Miller moved into this house after Lydicks moved. They moved to their current home between Amos and Coatesville on Halloween of 1958. Willard & Madge have many times participated in the Amos Fish Fry parade driving their cool 1925 Model T. He also sports a 1945 Farmall M Tractor!

THANK YOU to all of those who currently serve and have served on the Amos Cemetery Association or have helped maintain the cemetery grounds! The Town of Amos appreciates the time and care you have devoted to the Amos Cemetery!
