

One day, the mountain that is in front of you will be so far behind you, it will barely be visible in the distance. But the person you become in learning to get over it? That will stay with you forever—and that is the point of the mountain.

### CASCADE THRIVE

"Student Pledge: I will be a TRUSTWORTHY, HARDWORKING, RESPECTFUL, INDEPENDENT, VERSATILE, and EFFICIENT employee."

"Staff, Peers, & Community Partner Pledge: Working TOGETHER to HELP students REACH INDIVIDUAL VICTORIES EVERY-DAY."

The THRIVE Program has held classes at Cascade HS for 9 years and has been working in our communities for 7 years. The students first assisted at the Hendricks County Humane Society and have in the past few years contributed their time and talent to Mill Creek Christian Support Center in Clayton, Amo Baptist Backpack Ministry, CJ's Pizza (Belleville), Sam & Dee's (Belleville), Habitat Restore in Avon and helped Tri-Kappa set up for Bingo. The class also enjoyed helping build the ramp at Trinity Center in Amo and with Habitat builds.

The THRIVE Program has been led by Marlena Verhey since it started and assisted by Kelli Tipton, Bayli Cline and Mason Tharp. Class time is 7:55 AM – 3:00 PM Monday-Friday. At times the students are in their own class, and at other times they attend class with their peers. For the 2023-2024 year there were 13 students, 5 of which were seniors.

Ms. Verhey would love to build bonds with more community partnerships/connections to help the students become more independent, to enhance and build their vocational skills and develop those skills needed to be able to be a good employee.

The Town of Amo THANKS and is proud to have the Cascade THRIVE Program making so many positive contributions to our community!

You may follow Cascade THRIVE on their Facebook page: Cascade High School THRIVE. Do you have a business or organization that you would be willing to have THRIVE volunteer at or assist with? If so, please contact Ms. Marlena Verhey @ [mverhey@mccsc.K12.IN.US](mailto:mverhey@mccsc.K12.IN.US).

**THANK YOU TO ....**

**ALL those who assisted with**

Special thanks to Marshal Chris Nelson and Clerk-Treasurer Barb Strahl for coordinating and Amo Pizza for preparing lunch! 3 big dumpsters were filled!

**Gina Wicks** for watering and maintaining all of the downtown flowers and plants! **Angel Chatten, Ginger Denker** and **Becky Rhea** have assisted as needed. You ladies are very thoughtful!

Danville American Legion Post #118 for their continued dedication to Memorial Day services at local Hendricks County cemeteries. The Town of Amo also appreciates our Cemetery Board for the time, care and love devoted to maintaining Amo's Cemetery!

It's not all about the Fish; it's about the experience! This event has not lasted over 70 years for just the fish. The *Amo Fire Department* and *Cascade Youth League* provide an excellent experience for Amo and surrounding communities—a diverse menu with tasty food, cool vehicles in the cruise-in, the great band is a big draw, fun bouncy inflatables, Elephant Ears, Bingo and the great prizes, a joyful parade, a vendor tent with lots of fun, educational and interesting items to choose from, reconnecting with friends we have not seen since last year's Fish Fry or even for many years! This annual event takes months of planning, and it is "all hands on deck" for the Fire Department and Cascade Youth League. Those kitchens get very hot, however, we do not hear complaints! **THANK YOU FOR ANOTHER GREAT Fish Fry Festival!** We are already looking forward to next year's!!

The Fish Fry Festival Bingo tent was endorsed by the Hendricks County Bicentennial as an "event"! **THANK YOU** to *Dena Travelsted* for this beautiful, delicious cake that was served in the Bingo tent!

**THANK YOU**, *Donna Watson & Jordan Watson* for facilitating the Bingo tent for yet another year. They have announced their "retirement". We are grateful for all the time, love and years! Thank you, Sharon Lydick Anderson for helping call this year!

Although this newsletter is being received after July 4th, we always give thanks for all of our freedoms, including the freedom of worship and the many blessings of our country!

**MILL CREEK SCHOOL CORPORATION**

**BEAUTIFY AMO DAY — May 16, 2024**

“This is a highlight of 5th grade! Students choose, plan, and execute projects to better our school and community! We are so proud of our 5th grade Wildcats today and over the last few months for their hard work to bring these projects to life. They met hurdles and problem solved as a team! Thank you to all who donated to make this day happen! Thank you to our parent volunteers, this would not be possible without all of the extra hands! One more shoutout to our Ms. Mickey and her husband, Ron, for feeding us and to The Cup and The Cone for an ice cream treat!

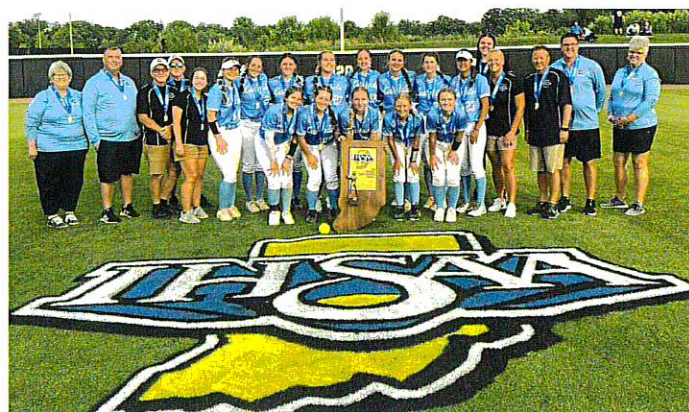

-Ms. Hufferd & Mr. Fanning”

Pictures and verbiage copied from the Mill Creek West Elementary website. THANK YOU!

*The Town of Amo THANKS the 5th graders for this annual project! In addition to the projects pictured above, beautiful flowers were planted in town flowerpots, and small flowerpots were left on various resident’s porches/steps. We are so happy you want to help improve the looks of our community!*

**CASCADE CADETS SOFTBALL — June 7, 2024**

**CLASS 2A STATE CHAMPIONSHIP — Cascade Cadets won 4-2 against the Lapel Bulldogs at Purdue University’s Bittinger Stadium in West Lafayette, Indiana!**

*The Town of Amo is so proud of your accomplishments this year! THANKS SO MUCH for making Amo one of your stops upon returning from your win!!*

## MILL CREEK ALUMNI WALK INTO HISTORY..."

The Mill Creek consolidation of Amo, Stilesville, Clayton and Cascade (classes 1965—1970) held their annual Alumni Gathering on June 1, 2024, in the Amo Community Building. The 78 alumni in attendance, enjoyed the fellowship, as well as all the memorabilia on display brought in by many alumni. One item of much interest was the old basketball keg that was loaned to us by the Hendricks County Historic Museum. This keg, as well as another one, is on display at the Hendricks County Museum, as well as a lot of additional information on the history of the keg. It will be well worth your time to visit the museum to see for yourselves all the other history on display and preserved for public viewing. They are open on Friday and Saturday and are located in the old historic jail on South Washington St. in downtown Danville.

Pictured holding the keg, as well as the picture of the 1953 Amo Sectional Champs, are Amo graduates Tom Underwood and Bob Hanlon. They were members of the 1953 Sectional Championship team. They were eventually defeated by Crispus Attucks and Haley Bryant in the final game of the regional tournament. The keg was only presented to the teams that won the Hendricks Co Tourney. Bob and Tom were holding it for display purposes only. However, they were both playing during the time the keg was the center of winning the County Tourney. The keg was used as a traveling trophy with the names of each of the county schools written on it. If you were in possession of the keg, you had to take it to the game each time you played another county team. If you defeated the team currently in possession of the keg, you were then awarded the keg and maintained possession until you were defeated by another county team. This process started in 1940 and continued until 1957 when the Hendricks Co Tourney ended and was replaced by the Wabash Valley Tourney.

History means so much to us and together we can all work together, the best we can, to help restore it. The town of Amo has begun this process by starting a museum called the "Amo Interurban History Museum". It is located in the old interurban building in downtown Amo. it is also being utilized as a local library/reading room for adults and children. The history will be geared toward the interurban, railroad, school, as well as the town and surrounding area. We currently have several items donated and are asking for more. If you have any item you feel could be utilized in the museum, please consider donating them to share part of your history with many others. Due to space limitations, at this point we can not take in more than we can efficiently display. Our committee will review each request and determine if it could be utilized now. The committee wants to thank the Hendricks Co Museum staff for their help and support, as well as those who have already donated items for the Amo Museum. If you would like additional information or are considering donating or loaning any memorabilia to the Amo Museum, you may contact committee members Darrell Mynatt 317-525-5605 or Dave Phillips 912-210-3493.

We are excited that the Amo Interurban History Museum has been endorsed by the Hendricks County Bicentennial as a Bicentennial "project".

At the Alumni Gathering on June 1, 2024, David Phillips shared the keg and its memory with us. David also wrote the above article which appeared in THE REPUBLICAN on 6/27/2024. Thank you, David, for the article and taking the pictures of Tommy & Bob. Hope Daniels Hanlon (Bob's wife) was a cheerleader during that time as well.

### INTERURBAN HISTORY MUSEUM COMMITTEE

Becky Rhea, Facilitator; Donna Watson, Amo Town Council Member; Ronnie Travelsted, Darrell Mynatt, Maureen Jackson, Town of Amo Residents; David Phillips, Darlene Miller, Rosie Burch Bell, Former Town of Amo Residents; Kelsey Freeman, Town of Amo Resident & Amo Reading Room Attendant. When donating memorabilia, we will kindly request a Custody Receipt be signed by the donor. As of this writing we do not yet have a target date for an "official" opening of the museum; we will keep you posted.
