

## **Admissions & Enrolment Process**

### **Step 1: Schedule a School Visit**

We begin with a scheduled visit for both parent and child. This allows families to explore our classrooms, meet our team, and experience our learning environment firsthand. It's an opportunity for both sides to get to know each other, understand your child's needs, and ensure there is a good fit for your child within our school community.

### **Step 2: Registration & Next Steps**

Following the visit, if we all feel it's the right match, we guide families through the registration paperwork and next steps. This ensures each child joins Levant International School in a way that supports their learning, wellbeing, and sense of belonging.

### **Step 3: Gentle Settling In for Young Children**

For our youngest learners, we follow a gentle settling-in procedure. We do not encourage leaving children abruptly on their first days, as this can cause unnecessary distress. Instead, we gradually help children feel comfortable and secure in their new environment, fostering confidence and a positive start to their school journey.

### **Why We Take This Approach:**

Families experience our learning environment in a welcoming, relaxed setting. It allows us to provide personalised support from day one. Children settle in smoothly, developing confidence, security, and a sense of belonging.

### **Next Steps After Your Visit:**

Complete the registration form and submit the required documents.  
Finalise your child's enrolment with our team.  
Receive guidance on preparing for your child's first days at school.

## Fees & Payment Information

At Levant International School, we provide a high-quality, personalised education for each child. Tuition varies depending on your child's age and any additional support they may need. Below is a clear breakdown of our fees for the 2025–2026 academic year.

### First Year One Time Payments
