The Pastor's Pen

During this Lenten season, we have been exploring all elements of our health and the ways in which God restores us through grace and healing. This month marks one year since we closed the door to the sanctuary and found new ways to worship as an online community. It has been hard to say the least, but through those trials, I have learned so much more about what it really means to be the church as a vessel of healing and light in the world in the name of Jesus Christ. We have had to reshape our connections and be more intentional to seek out the lonely and the lost. I also recognize there has been deep pain and hurt. Our collective and individual health has suffered from the effects of COVID-19; whether you contracted the virus, suffered economic impacts, experienced anxiety or depression, or lost a sense of community. I am filled with joy that we are moving into a place of restoration. Throughout Lent, I want to encourage you to find new ways to connect and, if you haven't already, join us for worship in Sunday morning - either in-person or online. I also invite you to develop a new spiritual practice during Lent (I know we are already two weeks in... but its NEVER too late)! Here is one simple practice I would share with you, which is adapted from a Bible study method introduced the African Delegation to the Lambeth Conference of the Anglican Church.

Select a Bible passage (you can Google daily lectionary readings to make your selection easier)

Sit for a moment in silent prayer

Read the passage slowly

What word or phrase catches your attention? Sit silently with that word/phrase for a moment.

Read the passage again slowly (use a different translation if available)

Reflect for a moment on where the scripture touches your life today.

Read the passage again slowly (use a different translation if available)

Ask "From what I've heard and shared, what do I believe God wants me to do or be? Is God inviting me to change in any way?"

Name three persons to pray for this week and say the Lord's Prayer.

Blessings,
Pastor Cassie

Wednesday Bell Ringers Rehearsal 6:30 PM; Choir Practice 7:15 PM; Come sing and ring along. It will be worth it!!

Giving a Hand-up through the KC Hero Project!

In last months Saltshaker you were told about the donations of Sacks to Mats and meat donated by Tyson Food's brought to us by Jim and Jerri Morris and how it was shared not only with the Plattsburg Food Pantry but with several surrounding food pantries. This month we have been richly blessed with quantities of meat to be able to share with a group of people that are affiliated with the **KCHero's Project**. They cook meals for the homeless sites and see to their needs by speaking to them we have found they are in need of pillow cases (to carry their belongings, bug repellent, wash clothes, bar soap, large and small) sacks, shoes, women's personal products, deodorant, masks, flashlights and batteries. Cat and dog food or anything that might be needed for camping. If interested you may bring donated items to BUMC and they will be picked up. If you're interested in helping deliver items to these less fortunate PLEASE be aware that it takes about 3 hours for this service and there are NO public restrooms available.

THANK
YOU

*Dear Church Family,
Thank you for the cards, phone calls, prayers and food following my Open Heart Surgery. Things are going well and progressing as expected the Surgeon says so it will just take time. Appreciate all the concern that has been shown.

Keeping track of those we connect with is vital to our ministry. If you attend worship Sunday morning online please e-mail, call, or fill out the attendance survey provided each week.

Giving

As we continue to BE THE CHURCH, our mission during these uncertain times is more vital than ever. Your ongoing generosity is necessary for the mission and ministry at Broadway UMC as we continue to serve the local community and beyond. **Please do not tie your giving with your attendance.** I would encourage you to discern how you can continue to give even when we are not in person together and pray if God is calling you to give more as needs expand. To give online via PayPal, visit the church website at <https://plattsburgbumc.org/giving>.

The Plattsburg Food Pantry continues to serve those in need of a hand up with the generous donations of many in our community, two of our weekly contributors are Jim & Jerri Morris, Jim works for Tyson Food and through Tyson's generosity and Jim giving of his time to deliver to us every week we have been able to share with several surrounding food pantries during this trying time, we appreciate any and all donations.

Thank you!
Hunger never ends!
