Generous God of abundant glory and grace, we humble ourselves before you, seeking your wisdom and direction. We ask that you would help us to be faithful and generous disciples of your Word, and to recognize that all we have is given from you and belongs to you. Lord, make us faithful stewards of our resources and use them to share your love in our community and around the world. We take this moment to dedicate ourselves to sow abundance into the lives of others, living out our mission to make disciples of Jesus Christ in your name. We pray specifically today for our church to be an example of your light in the world. Be with our church leaders so that they will guide our congregation in celebration and learning. As we grow in your grace, allow us to be enriched in every way so that we can be generous on every occasion. May our gifts be a blessing to our neighbors and be an act of thanksgiving to You. Amen.
