TC63-SA1

HD OTR, Truck and Bus Tire Changer

Specifications

Operating Voltage	230V, 3PH, 60Hz 25A
Wheel Clamp Capacity	14"-26"
Max. Tire Diameter	63"
Max. Wheel Width	39"
Max. Chuck Lifting Capacity	1190Lbs / 540Kg
Bead Breaker Force	5952Lbs / 2700Kg
Chuck Speed	6 RPM
Hydraulic Pressure	1885psi - 2175psi
LC588S	

Dimensions

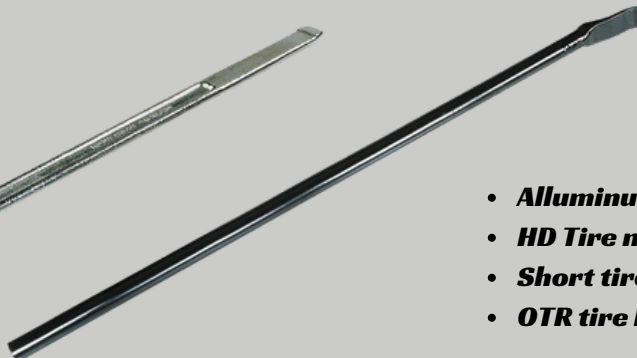

Weight of Machine:
1630 lbs / 739 kg

Features

- **Simple design; efficient and easy to use**
- **Hydraulic Self-centering wheel clamping chuck**
- **Spreader-type jaws ensure secure and even clamping of rims**
- **Single piece frame for maximum strength and rigidity**
- **Portable remote console for safe machine operation and control**
- **1 Year parts warranty with local service**

Standard Equipment

- **Alluminum wheel jaw adapter set**
- **HD Tire mounting wheel clamp**
- **Short tire bar**
- **OTR tire bar**
