

Short Circuit Motor Sport Association Inc.

Servicing motorsport in Queensland since 1977

NOTICE OF WORKING BEE

There will be a working bee at
Carnell Raceway on **31 August & 1 September 2024.**

Works that are on the wish list to be done are:

- 1) Painting of ripple strips
- 2) Installing Chain behind the concrete barriers

This will be for extra stability and may not be possible time permitting but would be great to complete before any other events are held at Carnell Raceway.

If you can come and help for a day, a few hours or both days, please give Brett Kelly a call on 0428 747 087 to let him know you are coming.

Lunch, snacks and water will be provided for all volunteers.
