Electric Car Registration

Name:_____

Car Make: _____ Model:_____ Color:_____ License Plate#_____

Company:_____ Email:_____ Cell Phone: _____

Rules for Use of Electric Car Charging Stations:

1). User must be employed at one of the tenant companies within Atria Corporate Center.

2). 2 hour limit/per day. User must be aware of the amount of time their car is in on the charger and move car off charger in a timely manner. If repeated misuse occurs, we will be forced to restrict usage.

3). Upon completion of charge, user may not park in garage unless they are currently renting a parking stall in the garage; and therefore, must move car to parking lot/ramp.

To Access Charging Station:

Unless you have a designated space in the parking garage, you will need to buzz security at the WEST garage entrance and indicated you would like to use charging station. If a spot is open, the security officer will buzz you in. The chargers are located in NORTH part of the garage in stalls N46 and N47. Once you have hooked up your vehicle, you may enter the building through the NORTH parking elevator lobby. Your building access card will be programmed for the lobby door and elevator. Please keep your card with you to avoid being stuck in the garage!

Disclosure:

It is specifically understood and agreed that the Charging Station is operated without constant staffing, that persons using the Charging Stations do so at their own risk, and that Owner/Managing Agent shall not be responsible for any personal injury occurring in the Parking Facility or while using Charging Station or any loss, damage or casualty sustained by User's vehicles or for the loss of any articles, personal property or any such other items from User's vehicles, unless caused solely by the willful acts or gross negligence of Owner, its agents and employees.
