ALL-NEW LUXURY SEATING

Experience top-of-the-line comfort with the **NEW E-Z-GO®** Luxury Seats, designed for the ultimate ride experience.

The added cushion, contoured bucket seat design, elongated seat back, and premium stitching and materials brings a luxury automotive feel to any to any E-Z-GO STL or XTL golf cart to establish the perfect getaway vehicle.

Three-Point Seat Belts

The strut-mounted seat belts provide added security for golf cart passengers. Unlike many other competitors, the E-Z-GO seat belt goes from the outside strut to the inside buckle, to provide the same seamless experience as hopping in a car.

Luxury Seats with Armrests

Offered exclusively on the RXV®4 vehicle, armrests add the ergonomic support to make every ride relaxing. The armrests are easily lowered and raised for ease-of-entry into the vehicle.

EZGO®

LUXURY SEAT COLORS

TUNDRA GREY

A new, cooler classic

Modernize your E-Z-GO with advanced cool touch technology that will keep your seats up to 30 degrees cooler than standard vinyl. This innovative combination of color pigments, foam, and substrate is designed to keep the seat color even after prolonged sun exposure.

AMARILLO BROWN

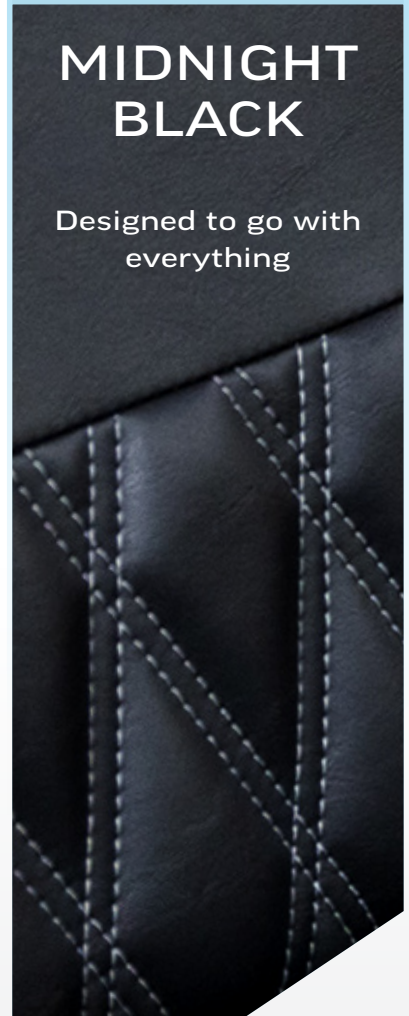

A modern take on traditional style

Upgrade your E-Z-GO with superior style without sacrificing durability. Our Amarillo Brown seats provide a genuine leather look with the durability of premium vinyl. Accented with thicker stitching, these seats will give your ride a unique appearance.

MIDNIGHT BLACK

Designed to go with everything

Flexible enough to give your E-Z-GO a chic or edgy look, the Midnight Black Seats are the perfect addition to any golf cart. The neutral black color is sure to go with any customizations made to your vehicle. The white double-stitched diamonds completes the overall premium appearance.

Fabricated with a stain repellant topcoat

Constructed with materials that reflect UV rays

Designer-sculpted foam cushions for ultimate comfort

Abrasion-resistant barrier protects the outer layer of the seat

Crafted with double-diamond stitching

Premium marine-grade vinyl for weather resistance

The All-New Technology Package

Elevate your driving experience with the E-Z-GO® Technology Package—an exclusive upgrade available on ST, STL, XT, and XTL models. The package includes a 10" ECOXGEAR touchscreen, 28" ECOXGEAR speaker, backup camera, and USB-A and USB-C ports to elevate your golf cart ride.

Technology Package Features

10" ECOXGEAR Touchscreen

The touchscreen offers the features you need to make every golf cart ride an experience from the E-Z-GO and ECOXGEAR names that you trust. Alongside Bluetooth® connectivity and phone integrations, operators can view vehicle speed and charge level, control their Bluetooth® music or AM/FM radio, and set the LED lights for the ECOXGEAR speaker all from the home screen.

ECOXGEAR Elite 28" Soundbar

The 28" ECOXGEAR speaker delivers a rich and powerful sound for any music streaming. The soundbar delivers 8 marine grade speakers which features an IP66 rating to protect against dust and water. Each soundbar is also shockproof to withstand any bumps during travel. The sound and LED lighting system are sure to turn heads on neighborhood cruises or campgrounds.

Backup Camera

Maintain awareness of your surroundings with the integrated backup camera. When the vehicle enters reverse gear, the backup camera seamlessly displays on the screen.

USB Ports

Easily charge your devices with the USB-A or USB-C charging ports. Use the USB-A port to connect your phone to the screen without the use of Bluetooth.
