Cherokee helped integrate all sports in Louisville, KY

Cherokee GC is one of the first integrated sporting venues in Louisville and is great for people who don't have time or money. It is the perfect venue for our Youth, HS and middle school golf teams, junior golf tours, new golfers, experienced and senior golfers. Cherokee is fun to play.

The importance of access to golf, came across loud and clear by most all Metro Council Members at the June 7th and June 9th 2022 meetings. This is why they voted 22-2 to keep the golf course open and to find robust proposals to run the golf course with excellence.

Cherokee is tremendous for charities and raising money

A million dollars have been raised in 127 years on Cherokee GC for charity. One example of charitable giving is the PGA Tour. The PGA Tour gives more money to charity every year than the NFL, NBA, MLB and NHL COMBINED!
