RIDER PROFILE

I'm a 17-year-old Canadian Superbike racer competing at the national pro level, known for an analytical approach, clean racecraft, and strong progression. My foundation in mini-road-racing, winter ice training, and international competition in the North America Talent Cup shaped my disciplined, data-focused style. I bring professionalism, rapid adaptation, and consistent growth—representing teams and partners with maturity beyond my age.

2025 SEASON SUMMARY — CSBK PRO SUPERBIKE

Team: Mots Machining Superbike Team

Class: Pro Superbike

Bike: Honda CBR1000RR

Championship Result: 6th Overall
