Children and Youth Protection Online Training

The church has asked us to have the Children and Youth Protection training completed **within the first month** after being sustained. They have also asked us to retake this training **every 3 years**.

Many teachers are coming due on their Children and Youth Protection Training. If you believe this might be you (or you have been told it is you), please retake the training ASAP. Someone in the Presidency will let you know when it's time to renew your training.
