New Business

Dr Eliason:

- The county asked us to cut our budget back by 5% and we were only able to cut it back by 3%. The next state budget meeting will be in May of 2027

- We have two new employees in the Health Department. Darcy Rose was hired for the full-time food Inspector position. Brady Andres was hired for the Part Time environmentalist position.
- We had three staff members trained to inspect tattoo parlors and investigate animal bites.
- The bus has been out many times. We have a monthly schedule for the bus to be out. In the month of June, we served 120 people.
- Upcoming Events- Pride Event is July 19th at the Dearborn County Fairgrounds. Our Annual Back to School event will be at Agner Hall on July 24th. The Summer Send-Off will be held at the Greendale Cabin on July 28th.
- We have FREE Prenatal Vitamins and Mosquito/Tick Kits on our lobby.
- Cyclospora- Currently, no cases in the county have been reported.
- Chlamydia- Last year we had 28 cases reported in 2025. This year so far, we have 37 cases reported. We are testing more frequently so that could be the reason for the rise in numbers.
