Now, If You Have Ever Wanted To Know

why I'm providing you with my past trials and tribulations and what Xoticy has been through... Well, that's because I want You to know **Everything** in its Truthful matter from My Mouth.

We (as in the Whole Entire Land) are living in the moment where the wicked doers/Humans are trying so hard to Block The Most High/Lord's Will.... from being done... To where The Wicked doers are trying to Guide the lost humans in the incorrect direction. To where those wicked doers/humans are Trying so hard to confuse and manipulate those lost humans... who don't have a relationship with The Creator/The Most High, The Lord, The Only Savior, The Almighty, The Father alone. Who are STILL in deception to be destroyed.

My assignment is to provide the Truth... so that Those humans who are STILL in deception can make their Own choice... to choose the correct direction... That is to follow The Most High/Lord Alone.

My assignment is to also, show those humans who are Not aware of the spiritual battle/War that we are All a part of.... to be able to see that there is seas... full of humans who are blinded... who can't spiritually hear and or spiritual see Truth... to where those deceivers are calling anyone who can hear and see spiritually... their so-called Crazy, their having some so-called mental illness, their fake personality identity disorder and etc. Why? Because The Most High/Lord don't want those wicked humans to gain Truth that they are the ones in Deep Deception, until it's too late. Why? Because those wicked doers are the wicked ones, who's doing the Deceiving on the minds of Many humans on this land... with their lies & illusions. So The Most High/Lord Deceived Many of those wicked doers from gaining the Truth.

As a Servant of The Most High/Lord, My Assignment is to provide the Truth to the Land... and that is what I Do.

Why? Well, for...

1. The Most High/Lord don't want You to get destroyed & for... 2. I don't want You to get destroyed either.

Now, let me share why I post videos without my face...

Because I want you to focus on the message and not

on my physical. The Most High/Lord gave me assignments to share knowledge with you... and I want you to gain all of the knowledge without any distractions. When I speak, my uniqueness showcases itself by my body movements and facial expressions... to where those who are easily distracted will focus on myself and not on the knowledge at hand. So, to gather everyone to being on the same page, so we can All grow and move in the correct direction together... I decided to share knowledge this way for now. Plus due to the much brainwashing, manipulating & programming that is going on by the wicked humans... To where many humans are so dumb down to where they are too lazy to read more than two sentences... I write to challenge those humans who are under that "Too Lazy To Read" curse from reading... to getting themselves out of that curse... by challenging themselves on reading and gaining the words I write for Their Growth.

Will I be posting videos of my face?

Yes, I will eventually. However, The Most High/Lord needed You to gain All that I'm guided to share with You so far first, for **YOUR** benefit.

So read & listen to every post & video on monicawilsondance.com/psa so you can catch up.

Cool? Cool!

Everything happens for a reason... & NOTHING is a Coincidence. Most times, Most Humans gain the Truth, when it's Too Late for them. I don't want You to wait till its too late to gain the Truth. That's why I'm preparing You Now... by sharing the Truth with you to gain... before it becomes Too Late for you. Got it? Cool!

WHY DO I WRITE INSTEAD OF POSTING VIDEOS?

Well, because I needed to practice on my writing skills and spelling skills. Even though I don't use "grammar".

Pause... It's interesting how many humans wrongfully judge me & try to call me stupid & or dumb because I choice Not use the programming ways that they were taught to read & or write... in the programming system they know as School. To where they call writing "Grammar" Un-pause.

I read & write in the ways The Most High/Lord taught me how to read & write. I

know how I write, how I speak and how I do Me is Completely different than anyone else. I didn't say better, I said different.

Pause...

The reason why I'm so different... is Because The Most High/Lord is clearly showcasing my uniqueness to the land. So, because so many humans carry the Jezebel spirit... They're blinded from being able to notice that my uniqueness, is NOT a comparison with Anyone. However, My uniqueness is indeed a test to see who have the ability to embrace, respect and appreciate my uniqueness. A test to see Who has wrongfully judged my uniqueness, who has tried to become a counterfeit of my uniqueness & Talents, who has tried to destroy my uniqueness & talents, who has tried to cover up my uniqueness, talents & who has tried to discredit & down play my uniqueness & talents. Un-pause.

I was mentally abused from a young age due to many humans trying to dumb me down.... so that they can feel as if they have power over me.

Why? so when those wicked humans would tell people that I was "stupid" & or so-called "Slow or dumb", they would use the fact that I was placed in Special Education as if that was... why they were bullying me behind my back... by calling me stupid & or slow & or dumb to other humans... never to my face.

Why? So their words would seem as if they weren't belittling me and or bullying me... However, to seem as if they were supposed to be truth-speaking about me.

When the actual Truth is... I was pulled out of my regular school classes & placed in special education because my so-called mother was collecting a check by placing me in special education until I was 18 years of age... and she needed a way, to have a reason to continue to mental abuse me by bullying me to others and behind my back... to express her Hate she has of me "secretly" without anyone supposed to have found out. However, I am fully aware of her hate toward myself, and has known about her hate toward me almost my entire life. How? Cause The Most High/Lord showed me at the age of 3.

When I asked my so-called mother why I was taken out of regular school classes and placed in special education... she didn't give me an answer... However, she laughed. So while in those classes, I was taught the same things over and over and over again. Stuck at the same "grade" level.

I asked The Most High/Lord to help me out of that situation when I was in middle school... So The Most High/Lord made sure that My Mental wasn't affected. The "teachers/Agents" I had were so pissed that I would ask why... I'm learning the same things over and over and over again and not being

challenged to reach my Greatness... to get to the level that they said, I wasn't on. I never got an answer.... However, the next days after me asking those questions often... my so-called mother would come to my schools and sit in my classes... and the teacher and my mother (who became best friends) wouldn't say anything to me... but they painted this false picture for the other students & teachers, as if I was this horrible human... who mother had to come sit in the classroom... to see what I do in school. When I already knew why she was there.... How? because The Most High/Lord already prepared me to stay silent and allow their wickedness to play out. Why? Cause The Most High/Lord has something for them... and they are going to get All of what they were doing and trying to do to me... ALL at once by the hands of The Most High/Lord Alone.

So because those wicked doers were trying to dumb me down... all because They KNOW The Gifts I Carry and They've always known Who I Am in the Spiritual Realm... and Many of them were just brainwashed and under my so-called mothers curses to treat me the way she programmed them to view and treat me unknowingly. The Most High/Lord is handling them.

Those teachers and my so-called mother Thought by trying to mentally dumb me down, would stop my Blessings, Gifts, my Purpose, Skills and My Talents...from showcasing itself. They also Thought the brainwashing and manipulating damage they Thought... they were doing on me... was going to stop me from knowing who I Am from the spiritual realm. Good Thing The Most High/Lord protected me from all their Evil and wicked doings... to where Now, All those humans who have Ever Thought of & or tried to destroy me... KNOW that their wickedness Doesn't & didn't work on me. They have also gained that No Weapon formed against me has ever prosper. Those who tried, wanted & thought about doing wicked toward me... also know that because I KNOW what they tried, thought & wanted to do to me... It's Their turn for The Most High/Lord to do All of what they tried, thought & even wanted to do to me... Will be done to Them by The power of The Most High/Lord.

How did I know my so-called mother was collecting checks by placing me in special education... Well, I actually just found out in the year 2020 due to The Most High/Lord guiding me. That's 23 years later.

To gain the full details of my testimonies... You will have to get you a copy of my books. The 1st book is available to order Now. I'll leave the link below for you to order your copy so you can gain more knowledge of my life experiences, that I haven't shared in full detail with the land yet.

I've shared that little bit of my Testimony about my past teachers and so-called mother of my tail and tribulations.... because I wanted you to know why I write

more than posting videos of my face.

If you wanted to know why I haven't posted any new Videos of My stylized unique Sequences of my natural style of how I Jam, My Talents... Well, that's because The Most High/Lord wanted to show the Land, Those who have stolen my Artistry, who's showing & "teaching" my Artistry incorrectly...are only to repeat and rearrange what I've already shown to the Land years before. Why? because The Most High/Lord is showing the Land that the wicked doers/humans, are Not original and or Talented and are indeed Liars, Fakes, Frauds, Counterfeits and seeds of darkness.

The Most High/Lord is showing the Land the fruits of The wicked humans by their own actions of Lying, Stealing, Killing, and Destroying.

Pause...

Now, that the Land is able to see what is going on... the Land can see The wicked doers/humans Lies being Exposed. All of what the wicked doers stole is showcasing itself. Whoever they tried to kill and or killed is hurting them deep within their root. All of what and who they tried to and or has destroyed is now destroying them by their children & deep from within themselves. The wicked doers/Humans are Reaping What They've Sowed forever lasting life.

Un-Pause

The Most High/Lord's Glory is showcasing itself for EVERYONE to see.

So... I had to take a break so that the Land can see the Truth & gain that I Am who The Most High/Lord Says I Am. Thus Says The Lord.

As we all can see... My assignments are NOT easy. I've watched Thousands plus... Humans get Deceived by these liars/deceivers to were they've turned away from the Truth. Watching those many humans turn away from the Truth... was very disappointing to be a witness to seeing. The wicked doers tried EVERYTHING to try and make me seem and look their so-called crazy, their so-called mental, and whatever false picture they tried so hard to paint of myself & Xoticy. However, The Truth I've shared, The Truth I Speak & My Actions... Made those wicked doers run and hide from me. However, they ran to the lost and clueless humans and tried to apply my characteristics to themselves... to deceive more humans by being counterfeits of myself & Xoticy.

Just look and listen to humans... ask The Most High/Lord to show you the True colors of humans and watch how almost everyone you Thought you knew, those who you THOUGHT was talented and or suppose to be some famous person and or social media pop up ass "influencers" even your so-called friends

and supposed to be family members... YOU will learn how they are full of darkness. They have already showed you that they are liars.. by lying either to you, to someone else in front of you... who have shown YOU that they are flat-out setting you up to be destroyed with them by you accepting their lying ass, as if they are of Good. Everything about these wicked doers is a lie... they're Deceivers. They are full of Hate & Empty of The Most High/Lord spirit.

That's if you haven't been awoken to see The Truth yet. If you're awoken then you can see that what I speak is indeed Facts.

Quick question....

So If you know of me... then you know that I call many humans Hun-Bun. So, if you have ever heard anyone say Hun-Bun... You KNOW They asses got that from me. That was for those of you who was apart of that wicked ass supposed to be "dance industry" who got out.

That's just one example.

The Reason You're Here On Our Lane

Is because The Most High/Lord sent YOU my way. Only a few will find the narrow road. You're here because you found the narrow road, So that You can gain what You didn't know... & to receive confirmation on what The Most High/Lord has already shown & or taught you... for YOU to keep reaching New levels of Your Greatness in the stylized kind of ways, The Most High/Lord created I to share with You.

I'm a Very Special & a Unique Gift from The Most High/Lord to the Land. I didn't place myself in these positions... The Most High/Lord created I, this way for The positions I have.

Now, if you are someone who was told lies about me, heard rumors about me, and just some off-the-wall stuff to get you to turn away from me and or dislike me... and or even view me in ways that I'm Not to hate me. Well, that's because those humans who filled you up with lies, don't want You to gain the Truth and or Gifts of Myself... Cause they are Jealous & Envy humans... who hate The Most High/Lord for creating I, to be who I Am and Not creating them to being as I.

So when those Hateful humans try to destroy others.... because they can't destroy myself & or Xoticy.. is why they tried really hard destroying humans around us, to try & turn the whole land against us (myself & Xoticy) to try and

make us seem to being their so-called crazy & or whatever lie they made up to deceive others to follow they wicked, lying and deceiving asses.

What do I Mean?

Let me share an example with you.

First, let me share that I cut ALL of the toxic and wicked humans out of my life... That includes MANY so-called family members & All those supposed to been past "friendships" I thought I had. So when I say I had... That means, those humans are No Longer apart of My life. Cool? Cool!

So... I had this older "brother" who calls me Miss America till this day. Why? He never gave an answer to why he calls me Miss. America... However, he did say he's just playing... as if what he speaks of me... is suppose to be funny, as his so-called joke. So when he speak of me to whomever... he brings me up & mentions me as 'Oh Miss America... that paints me to being this stuck up human to the humans he's speaking to, that paints me to looking as if I think I'm better than everyone just based off him, calling me this Miss. America.

Why does he mention me as Miss. America? because he is gaslighting humans to view me as if I think I'm better than everyone else. when I am NOTHING as such. My Mental don't think that way, My words I speak are not as such & neither are my actions & characteristics.

Nope... I don't think I know everything. I only know What The Most High/Lord has taught me to know. I share what The Most High/Lord guides me to share to those who don't know what I know, so they can gain New Knowledge to grow.

I don't look down on anyone, I'm the one uplifting humans and making new path ways... that wasn't there for humans to walk on, gain from & or even grow from.

I don't talk behind anyone back,... I talk to the human directly... or I'll apply the human of whom I'm speaking to name, if I'm on social media platforms... so the human of whom I'm speaking to... Know that I'm speaking to them and what comes out of my mouth is what I... said. I'm far away from being some damn coward. So if anyone said that I said anything... & the human didn't hear whatever was supposed to be said from my mouth... then I didn't say it.

I don't compare myself to anyone and I'm NOT & has never been apart of any ones invisible ass competitions, wicked ass occults, stupid ass cliques & or secret ass groups. Nor do I wrongfully judge humans. I hold humans Accountable. I call out their wickedness... I don't throw stones, I show the humans their own damn stones before they start throwing stones at anyone... or I show them their own damn stones while their throwing stones at others, so

the human whos throwing stones can take a hard look at themselves.

So the title of being this so-called "Miss America" that he calls me... is just a false picture of me that he's painting to others... to manipulate others to view me in ways that I'm Not... just so he can get a laugh.

Now, Do he know who I am spiritually to why he is calling me Miss America... instead of The True Queen of The Most High/Lord's Kingdom.... and remixing my title/position given by The Most High/Lord to try and secretly tell me that he know who I Am... But he's not going to tell me who I am... because he don't want me to know?

I'll let you ask The Most High/Lord that question... And You let me know what answer you get from The Most High/Lord Cool? Cool!

That is just one example from a so-called family member. On how many so-call family members gaslight humans & low key bully me behind my back.

Here's a few questions

Have you noticed that when humans lie about someone and they get caught... they say that they were just playing and or joking... AND If... you say anything on the lines of Where's The Joke... Then they tried to blame you on not being able to take their none funny ass, but bullying ass, fake ass jokes?

Have you ever asked those not so funny humans, where's the joke?

Well, I did... and when I've asked they've looked at me with a stupid ass look on their faces, because they want to believe that I'm their so-called stupid. They wasn't aware that I can see right threw their wicked asses... on lying about me to my damn face... and or showing how they really feel about me in hiding behind their not so funny, fake ass, stupid ass so-called jokes.

Let me give you another example

So this dude calls me Bat Shit Crazy.

Why? because I gave him a chance on growing with me & all he wanted to do was lay in his bed, watch movies & have sex. So, I stop talking to him & went about my life. So because I left him where he lay... Now all of a sudden I'm this so-called Bat Shit Crazy girl.

So years later, he moves from Detroit, Mi to Atlanta, Ga where I was.... & years after that he comes to a social media platform I was on.... and asked me in the public comments on my page... for my services, for this "Artist" he was "working" with. So, I asked him... Why do you want to work with someone of whom you call Bat Shit Crazy? I asked him that question in the public comments as my reply.

Pause:

So the reason to why he came to my comments is because he is one of those fake humans who live by that "professional" mindset. What do I mean when I say "professional" mindset? Well, those humans who are Fake, pretenders, liars, kiss Asser's, Opportunist and flat out manipulators... they feel that no matter what they did to you, or said lies about you.... you are supposed to put their wickedness to the side & forget about it... and just take care of what they want... and they sugar code their wickedness as "Business". Well, I'm Not Fake, I Don't pretend, I don't kiss humans asses to get what I want, I'm not apart of the ways of this wicked ass world, manipulating, illusion ass systems, I can spot an opportunist from a far now, thanks to The Most High/Lord & I don't forget how anyone has ever treated me.

So that makes me to being NOT their so-called "professional" I don't fit into their darkness/wickedness ass, fucked up ass ways. I know that. However, They also know that I don't fit in their wickedness. My Light shines too damn bright... I'm nothing like the wicked ones. As We ALL Can See.

Who is Them and They?

Well if you take a moment to look around Yourself, I'm sure many humans around you are these fake ass "professional" ass liars, opportunist and kiss Asser's, acting as who they are not behind closed doors.

So, what ol-boy was trying to do in my comments, was try & make me look as if I'm a problem to those who are unaware of these wicked ass games... these wicked ass demons play. If anyone know anything about myself, Then they should know that I give ZERO Fucks about who likes me and who don't like me. All I give fucks about is that humans gain the full Truth to reach New levels of their greatness. So humans can make their own choice and not be manipulated and or deceived by these wicked ass, stupid ass, dumb ass, fake ass, fraud ass, Lying ass supposed to be humans. Un-pause.

So, him coming into my comments publicly... was his way of trying to make it seem as if the lies he told humans about me... was "true" & to try and make it seems as if I'm difficult to work with. Cause he tried to make it seem as if, all he did was ask me a question about "business" in the public eye... Knowing I don't fuck with his ass on any level... and or fuck with anyone who disrespects me, lie and or is a damn fraud... PERIOD!

Him & everyone else KNOWS that I don't fuck with anyone who fucks with anyone of whom I don't fuck with.

Pause... if you ever wondered why so many humans tried showcasing that they fuck with such & such (whomever)... that's because those hateful ass humans

know that I don't fuck with them. So because they're mad that I don't fuck with them... they don't want anyone to have an chance to be in my good graces. So those hateful ass humans became fake friends with humans just so they won't have their life-changing Xperience with I. That's fucked up right? I Know. Un-pause.

So, when I asked him the question... he didn't see coming his way....**Why do you want to work with someone of whom you call & view as Bat Shit Crazy?** Of Course he pulled his lying ass card out and said that he don't know what I'm speaking of. I said oh you don't... Let me refresh your memory. So I took him back to that day and said word for word of what he said & what happened... Then he goes.. I must have been playing... & that he don't remember. I said... oh then that must been when your demon took over your body then huh?

Then he tried to play it off... as if I was talking out of my ass... & tried taking it back to so-called wanting to hire me for my services... So he ask me for my number... I told him I didn't have a cell phone... because I didn't. I got rid of cell phones during that moment because I wanted a break. He said I was lying and said everyone has a cell phone. He was just letting me and everyone know that he doesn't WANT to believe anything that I say... even though I'm speaking the damn Truth.

So I directed him to my request form on my site. Then he comes back to my comments and act as if he didn't see my request form on my website... so I send him the direct link in the comments and then he disappeared.

Did he send me a request for my services? Absolutely Not. The whole purpose of him coming my way in my comments was to try and paint me to being who I'm not

I know how he feels about me and for him to ask me to do anything for him... after him lying and disrespecting me... he THOUGHT by him THINKING that no one knew the Truth of his actions toward me... was going to make me seem to be his lying ass, Bat Shit Crazy. Now him and EVERYONE who believed his lying ass is the ones who's Bat Shit... Fuckin Crazy.

Now, you see... This dude went around and told other humans that I'm this so-called Bat Shit Crazy girl.

Why? Well because he's a narcissist & because I left his lazy ass... MANY YEARS Ago... he's STILL mad at me for wanting better for myself and not becoming lazy & or empty like his ass. So he don't want anyone else to like me... so to make himself feel good about himself, he went around and lied about me to whomever who believed his lying ass. So that other dudes wouldn't

want to get to know me and or gain the Truth about me & or whatever "Artist" he was supposed to be working with, wouldn't want to work with me due to the lies he told.

Just as that wicked ass dance/music industry (occult) has done to So Many Humans and business toward me... Just as so many dudes of who I said No... and just as so many jealous ass females & envious ass males has done toward me. All wicked humans have the same damn mindset & do the same damn actions... over & over & over again. Why? because The Most High/Lord have they asses chasing their own damn asses... doing the same actions to everyone they know. So that NOW, everyone who has had an personal experience with they wicked asses, will NOW, know that those who are of these characteristics are EXPOSED to showing their true wicked ass colors/Fruits of being seeds of darkness.

Are you catching on to The Most High/Lord's sense of humor yet? I hope so. Cause this shit is Fun-Ne

So these wicked ass humans went ahead and made sure to try destroying the mental of anyone who had an interest in I... and or looked as if they will have an interest in I. Just as every other narcissist has done to many humans about myself all over this land.

Now... the dude from my comments didn't tell the humans of whom he lied to, about calling me bat shit crazy... what supposed to make me his Bat Shit Crazy. I'm sure he made up a lying ass story.... that I'm sure don't make any damn sense to why he calls me Bat Shit Crazy... just to make himself look good in front of whomever he is lying to about me... to get those humans to view me as his lies. Causing those humans to be placed in deception, for believing his lying ass.

Basically he deceived All those humans to believe his lie all because he was hurt that I can't grow with anyone who is lazy... and only want to be taken care of, eat, watch TV and have sex... So, I left.

Fucked up right?

I know. And there is SO Many humans out there who have done these acts of wickedness to so many humans... all because they don't want anyone to Like, Love, Respect, Listen & or gain the Truth from & or about the humans, of whom they are lying on and about.

It's Cool... Cause The Most High/Lord is Fuckin All They wicked asses apart as I speak... for everlasting life & showing Everyone who was lied to, The actual

Truth about the humans who was lied on... Thus says The Lord.

Now, we're going into the 9th Month of 2021.

That means... we have 11 months to go before we start jammin' together. No Worries, I will make sure You are physically, Mentally & Spiritually Ready before we start jammin' together... Cool? Cool!

I'm aware that many humans are looking around and wondering... how am I making plans for Xoticy to start in 2022... with all that is going on around the Lands. Well, that's because The Most High/Lord already showed me what was going to... & what is happening before The Most High/Lord's wrath even started getting stronger on the wicked doers... & on the lands, where the most wickedness behind close doors is happening.

I started giving warnings of these actions a few years ago, when humans was attacking me on social media and calling me all kinds of names & saying all kinds of lies about & on me... and turning as many humans as they could against me. The social media platforms started deleting my subscribers and viewers numbers, to make it seem as if I lost viewers, to deceive the land to view me as they so-called canceled.

When actually, The Most High/Lord did all the deleting of those subscribers and viewers from my accounts... because most of the humans/accounts who was watching and following me, are Not seeds of The Most High/Lord. So, The Most High/Lord got rid of All those lost and wicked ass humans/accounts... and only left the few humans who are seeking Truth, You. Who got out of sin, Who will soon be & has become born again by gaining the Truth and getting out of deception.

All deceivers were thrown out of my lane by the power of The Most High/Lord. That is why there is only a Few who rock with me. And the large number of humans rock with the seeds of darkness. We all can see The Glory Of The Most High/Lord on how the Good and Evil humans have been separated.

When The Most High/Lord guided me to get Xoticy® foundation stronger to be ready for the year 2022... Is when I stopped posting videos of my Artistry of me & My Participants Jammin'... that was in 2017. Why? Because The Most High/Lord no longer wanted the wicked doers/humans to even look as if they were winning anymore. What you see going on around this land... is The

Wicked doers, brainwashing, manipulating & programming system... many human's know as Satan's/Lucifer's world... is Falling... being destroyed.

The wicked nations... meaning Countries, States, Cites and humans who have tried, thought of and did wicked toward The Most High/Lord's Humans... has just started their reaping of what they have sowed. Thus Says The Lord. This is ONLY the beginning. The wicked doers have Everlasting life to go threw ALL of what they have put The Most High/Lord seeds through.

If you look around... The Most High/Lord's Children and Those Gentiles who respect and treat The Most High/Lord children with genuine Love, Support and respect are NOT apart of The Most High/Lord's Wrath. We're not in Misery. We are fed spiritually and physical food daily. We're healthy, and we're protected by the protection of The Most High/Lord.

So, if you are reading these words right now, then The Most High/Lord has either already awakened you or is trying to awaken you out of the lies... and get you far away from the wickedness that is around you... & has brought you over to My lane... for you to gain and be apart of Pure Peace, Genuine Love, True Knowledge, Genuine Respect and Truth.

So Welcome to My Lane, It's a pleasure to have you here.

So, the year 2019 was the warning for humans to get on the correct side. 2020 was the last call. 2021 is the beginning of the Wicked doers system crashing/falling... their lies are being exposed, their illusions are breaking down, their fake titles have come off, Their fake characteristics that are known as their masks... are slipping off and there is no where for these wicked doers... such as liars, killers, stealers, destroyers, abominators, False prophets, Idolaters, fornicators, Counterfeiters, Lovers of money, Sell Outs, Jealous & envious humans to hide. The Truth is out for Everyone to gain. The Most High/Lord turned on the Light of Truth and ALL of Darkness is Exposed.

The seeds of darkness are ALL OVER THE INTERNET & ALL OVER This Land being counterfeits of us, True Servants. Saying they got visions from their fake ass lord and savior... saying they had dreams and etc... While sliding in... lying to humans saying that humans need to worship false gods. So be-careful. If they are NOT guiding you to The Most High, who is the Lord Alone. Cut They wicked asses Off & never watch them again.

Lucifer/Satan has counterfeited himself to seem as The Servant of The Most High/Lord... because he want to be as The Most High/Lord so damn bad... to where Lucifer/Satan has deceived the WHOLE Damn World to worship and call on his lying ass. To where EVERYONE who is calling on the name of "Jesus" /

"Jehovah " and or who is Calling their god "Jesus" / "Jehovah " their so-called lord and fake ass savior will soon learn that They were ALL Deceived by Satan/Lucifer... and have been calling on and worshipping Satan/Lucifer under the name "Jesus" / "Jehovah"... This WHOLE Entire Damn Time. Thinking their fake ass lord and fake ass savior supposed to had died for these lying ass, wicked ass humans sins. When Nope.

How are these humans unable to see the Truth?

I'll share... because They were brainwashed, manipulated and programmed to THINK that a Man died for their sins... and that they are free to do whatever the fuck they want... as in treat humans however wicked ass way they Want.... because they were lied to... to believe that "Jesus" died for their sins or "Jehovah" son/sun, died for their sins. So because those humans made a choice to believe the lies... and live by those lies, caused those humans to be in deception. That means they are only able to see lies & believe liars.

Everyone is paying for their own damn sins. The Most High/Lord allowed ALL those humans sins to reach the Heavens and NOW, EVERYONE had their judgement. Now... we are at the moment where we are reaping what we sowed.

So, all those deceived ass humans who THOUGHT that they were never going to get caught, because they did their wicked and evilness behind closed doors, in hiding & or under their lies... has learned that They were caught from the first wicked & evil thought & action that they've committed. How? The Most High/Lord sees EVERYTHING.

The Most High/Lord allowed those deceiving ass doers to continue having their evil ass thoughts, doing their evil and wicked ass actions. Why? because those wicked humans was deceiving humans. So, The Most High/Lord deceived they asses... and Now they have to turn in their playing cards to The Most High/Lord... and EVERYTHING they wicked ass Thought of, their Actions, their Lies & their Sins... that those wicked ass humans have done. They are reaping what they've sowed 10 fold. Starting NOW!... for EACH and EVERY human they have done wicked and evil toward.

Just look around... Why do you think

- ~ China, has many national disasters lately
- ~ Australia, is dealing with what they are dealing with in being put into captivity
- ~ California, ass been on fire for MONTHS.
- ~ New Orleans is getting a friendly reminder of their ass whippin' by "natural disasters"
- ~ Atlanta, Ga is dealing with Natural disasters & lots of killings

~ Washington, D.C wicked ass Monument got strike by lighting at the Tip and so many more places all around this land has started their reaping what they sowed... ALL because they have disrespected, lied to, doing wickedly/evil and stole from The Most High/Lord's Children & discrediting us, True Servants.

Many on top of Many humans has turned against The Most High/Lord unknowingly by thinking that they themselves are more powerful than The Most High/Lord... because it's a large ass group of their foolish asses... trying to manifest, what they want to happen in their lying ass life. All because the liars of whom these lost humans follow... the liars has lied to those lost humans to believe, as if the liars has manifest what they stolen. when Nope... The liars stole & painting an illusion of what don't belong to them to supposed to look as if they manifest.

The Most High/Lord don't hear sinners. So you know damn well, that The Most High/Lord don't hear shit from these evil and wicked ass doers.

If you haven't heard me say this before... I'll say it again... We are living in the transformation of the wicked world/system crashing and falling... and The Most High/Lord's Kingdom is applying itself into place, Right NOW! The upside down world, turning right side up.

First the old world/wicked system & the old heaven much be destroyed and that is what you see happening right now, ALL Over The Lands & in the sky.

These humans who are dying from the pledge "corona/covid/whatever new name they try and call this pledge" are dying because of their none existing relationship with The Most High/Lord. They had chances, just like we all have chances. They've made a choice that you don't know they have made spiritually... to go against The Most High/Lord and The Most High/Lord is kicking wicked doers off the Kingdom, that includes these demons who's dressed as humans.

That is why you can Never judge a human by how they treat you, what they said to you, who they supposed to know... supposed to so-call be and or what they supposed to do or have. Look into their eyes and look for their spirit... those who are full of darkness don't have a spirit. They are empty.

Judge humans by their actions. Are they liars, Do they steal, Are they trying to & or have destroyed someone, relationships and or anything? Do they love money and chase money? Do they gossip about humans of whom they don't know to apply how they really feel about someone, by painting their deep hate... as their thoughts and or opinions about whom they are lying about? Do

they cheat? Do they abuse humans physically and mentally? Are they controlling, Do they not take accountability? Are they disrespectful... do they turn humans away from gaining the Truth? Are they counterfeiters?... just to list a few.

You Know them by their fruits, that means by their actions. So just look around you. Do you truthfully know the humans around you... as in do they carry the spirit of The Most High/Lord or are they spiritually empty?

You be the Judge... cause they already showed you who they are by their actions... maybe you just didn't pay attention because you may have been distracted by the lies... they were painting of themselves, for you to believe. That caused you to be in deception.

So, because The Most High/Lord already showed me what's to come... I've prepared myself and Xoticy for us to Jam in The Most High/Lord's Kingdom starting in the 7th month, on the 31st day, in the year of 2022.

I know many humans who won't be able to make it to an Xoticy Service... want to purchase my videos to learn my Unique and Stylized 1 of kind Sequences & Style of how I jam naturally... to practice at home for personal use.

I'm aware that My participants & supporters want to purchase the sequences they've learned & or their favorite Xoticy wiser sequences of mine, to practice at home. I want you to know that I'm taking my sweet moments and moving at the speed The Most High/Lord wants me to move.

So, I ask that you be patient with me in providing those videos to you. I know I said that I just want you to gain the sequence from Your personal Xoticy Services Xpeditions with me... and or from my live audience participants... due to the much wickedness that is going on with these wicked doers and their wickedness by studying/showing/teaching/stealing My Artistry to deceive many humans to profit off my Work/Purpose/Talents/Gifts.

Well, after having a long conversation with The Most High/Lord & The Most High/Lord showing me different perspectives, I decided that I will provide My Supporters, You... with what You are in need of. I just ask that you be patient with me on providing those needs to you.

Cool? cool! Thank you in advance.

My Talents and Gifts

are of myself Jammin' in my unique stylized kind of ways. Teaching & Leading You to reaching **New** levels of Your Greatness... in My unique and Stylized kind of ways I'm created by The Most High/Lord to do so,.

The reason why I asked you to gain all there is to know about myself and Xoticy from **monicawilsondance.com** and **xoticy.com** is cause... I want you to hear about myself & Xoticy from I. To where you will gain the Truth from the source... & to gain that I'm 1 of a kind and can't be duplicated. As We ALL Can See.

Nope, I'm **NOT** Cocky, Conceited... I don't Have some kind of supposed to be Ego, and nor am I Stuck Up.

I had to share that True knowledge about myself with you, because the wicked doers have manipulated & lied to Many humans to think that if anyone speaks of themselves and share who they are on their own... Then That must suppose to make someone seem to be so-called "conceited", "cocky", having some so-called Ego, and or to be so-called "stuck up". When I'm None of those ways. My characteristics are the complete opposite of those actions.

You will gain the Truth about myself on your own, once you get to know me from Me. So, just keep rockin' with me... You'll see for yourself.

The Most High/Lord ask me to share who I Am with the Land.... and That is Why I even shared That I'm The Earthly Mother, Who Is Wisdom.. The True Queen Of The Most High/Lord's Kingdom and that I'm one of The Most High/Lord's True Servants. The Chosen One... with you when I did.

Why? Cause The Most High/Lord wanted You to Know The Truth so You, will continue to follow the Truth and to get out of deceptions... and to get far away from the liars who's deceiving you, who are the wicked doers, deceiving the Land.

Pause...

By The Most High/Lord showing me the ways of humans... It's so disappointing to watch lost humans support and so-called pray for the wicked humans who's deceiving them.

However, at the same moment... those humans who are being deceived by the humans of who's deceiving them, are being deceived because they themselves are deceivers. The Blind leading the blind. un-pause

Before you go, on continue gaining this Knowledge,

I want to point out this amazing layout The Most High/Lord has showed me, to share with you.

So, If you were taught in the building they've twisted and titled Church/Hall Then you are aware that all those false prophets taught/teach... was/is Man this and Man that. It's like the ONLY "woman" they spoke of in their teaching is Mary. They left out every other woman. They even brainwashed humans by manipulating humans to always say A Men... Over and over and over again. As Amen.

Why? because the wicked doers want humans to be brainwashed to THINK that The Most High/Lord ONLY uses and suppose to only use a man as a vessel. When NOPE. That is Completely Incorrect. How? Well first of all, The Most High/Lord knew that Most of all the supposed to be "Men". Males & or dudes are No longer strong males, Men & or dudes set to be as leaders in any way. Many of males have turned into an abomination. Many are soft, weak, sensitive, controlling, child like and spiritually empty. So because those wicked doers/Humans in these "churches/halls" who's brainwashing humans to only view a "man" as a Servant and or Prophet... & brainwashed humans that women are to shut up... Has caused much confusion to the minds of Many humans who are deceived to believe those lies.

Take me as an example... I'm NOT a man, male and or dude. However, The Most High/Lord has used me since creating myself as a human, as The Most High/Lord's vessel. The Most High/Lord Provided me with visuals that turns into prophecies & just recently Told me My True Title of The Most High/Lord's Kingdom to share with the Land. So, clearly "Men" is NOT who The Most High/Lord Only use to do the Will of The Most High/lord. So, by these wolfs in sheep clothing (liars) teaching all these lies to All these deceived humans... ALL Over The Land, to where So Many Humans, who are in deception due to believing the lies from these seeds of darkness... of so-called humans. Has caused more humans to dismiss True Servants of The Most High/Lord like myself because I'm not a male.

A male & female human are partners. Who are equally yoked. To assist each other on growing together. To reaching NEW levels of Their greatness separately and Together. One is NOT over & or to control the other. A partnership is between a male human and a female human. NOT Male on male and or female on female. Same gender is an abomination to The Most High/Lord. Dismissing the gender that The Most High/Lord created one to be...

is also an abomination to The Most High/Lord. Basically those who are an abomination who's actions are as such wickedness... is saying fuck The Most High/Lord, fuck their purpose, fuck life, fuck everybody... and they feel as if they have power to do and be whoever the fuck they want to be... when NOPE. They have now entered into their destruction and ass whoppin' for being so Damn Disrespectful, Hateful & rebellious toward The Most High/Lord.

This is why the so-called relationships I thought I was in... in my past... (I ONLY Dated Dudes by the way) never worked. I had to leave each and everyone of those dudes. Why? because there are so many dudes out there on this land who think because they can make money, have a penis, drive, eat, have sex and or put on a front as if they are this so-called Man... who's in "control", When they actions, mindset and or abilities are NOTHING of a strong Man. Who Thought they could control Me and even WANTED to believe their lie of viewing me as being their so-called Stupid... because they lied to themselves and told themselves I was stupid... However, NOPE... I saw right threw all they foolish asses.

Hold on: I will like to thank the few dudes who wanted to build a partnership with me... who didn't think it was fair that I be apart of, what they were dealing with... because of the humans/ baby momma of who were causing destruction in their life. To where the females tried to block the dudes blessings of being with Me. Thank you for protecting me & my peace & sacrificing your peace and happiness with me... from being apart of those wicked humans wickedness who was around you, trying to make your life miserable.

Pause... Before The Most High/Lord awaken me fully... I never treated anyone how someone from my past has treated me. I gave everyone their opportunity to show me who they are... as I still do today. I also take a look to see if the humans is able to embrace me for who I Am... or are they trying to control me or try to turn me into who they want me to be or who they think I should be. Once The Most High/Lord allows me to see humans true colors, Then I make a choice. As we all can see, My choice is to always leave toxic humans and continue to grow with The Most High/Lord.

I've asked The Most High/Lord to keep all dudes away from me because I'm over meeting dudes who are not equally yoked with me. So, The Most High/Lord knows that if My Spiritual Man finds me.... and he is how The Most High/Lord showed me spiritually that he will be... and The Most High/Lord says Yes, he's The one. Then I'll wait till than to be interested in a Man. You feel me? Cool! Right Now, I'm chillin' and have been for 5 years now growing in pure peace & happiness with zero distractions.

Here's some Wisdom:

If you want better for yourself and you want what The Most High/Lord has for You... then stop playing yourself short and NEVER settle. If you don't know who you are from your core root... and or what you like on your own... Then take some years to allow yourself to get to know you. If you don't know you and you're with someone, that human will only distract you from getting to know who you really are... and what you are really about. If you don't know yourself, then you can't be fully happy... and NO one can make you happy. They can only distract you with false pictures as they title the pictures they are painting you as "making you happy" or "doing things to make you happy" If you're not Happy from within... then you're not & won't be happy at all. So, stop lying to yourself and gain the Truth of what Happiness from within really is... Cool? Cool! Un-Pause.

How do I know the Truth of those foolish dudes? Well, because when you have humans like myself, who is a Strong Woman, Mentally, Spiritually & Physically... weak dudes are intimidated by us. To where they start showing their weakness by TRYING to be better than us... and they do that by trying to belittle us, control us, mentally abuse us and or try to manipulate us... However, none of their wicked tricks work on us. Why? cause a Servant of The Most High/Lord has the gift of decrement .Meaning we see right threw they asses.

The dudes who are intimidated, who are caring & respectful Men, they won't say anything. The dudes who are disrespectful will showcase their disrespect by saying things like... Oh you an angry black woman... or someone must of have hurt you, you have an attitude problem and or anything that they think that will get you to be as hurt and embarrassed as they are. Those are the humans who don't take accountability for their actions... all they do is blame and point their fingers & call women names that they heard someone else say.

Now, there are angry woman of all skin tones out there and there are women like myself who just don't provide, deal with and or take bullshit from no one. There is a lot of humans who don't know the difference between the two. Those are the humans who place everyone in one basket and then treat everyone as they hateful heart makes them feel.

Pause...

Even through I saw all the wickedness that each and every human who has been close to me... has tried to do and felt toward me... The Most High/Lord guided me to keep my cool... and allow them to fully show me who they are from their core root. So I Did.

Now, the interesting part is that... those humans THOUGHT I was stupid and

wasn't able to see what they were/trying to do... and how they really feel about Me. What they didn't know... However, now I'm sure they do... is that The Most High/Lord wanted their wickedness toward me... to reach the Heavens. So, once their wickedness reached The Heavens... I was guided to cut they asses out of my life. So, now that I cut them out of my life... Many of them went and tried discrediting me, lying on and about me, turning humans against me and etc. publicly... as they were doing already behind my back.

The Most High/Lord has allowed their wickedness toward me to... after I cut they asses off to continue to reach the Heavens even more. Why? Cause their ass whoppin' from The Most High/Lord has just started to return to ALL of them... for what they have done to each and ever human walking on this land, whos a Seed of The Most High/Lord. However, their wickedness toward myself and The Most High/Lord creation of Xoticy is an ass whoppin that is a hundred fold by itself... on TOP... of the ass whoppin' from what they have done to other humans whos seeds of The Most High/Lord. Why is the destruction a hundred fold for them due to fuckin with me & Xoticy? because I'm The Most High/Lord's Precious One & Xoticy is a gift... That No One Saw Coming.

The Most High/Lord has a funny sense of humor. Everyone is looking at all these dudes & females of darkness teaching false doctrine, collecting humans money so the demons/humans of darkness can live their "Fabulous" fake ass life-style off of the humans of whom they're deceiving, while the humans who's deceived are giving their money to these liars... are broke, miserable , struggling & spiritually empty. Then you have all these deceived ass humans viewing All these fake ass "stars" and Fake ass "Celebrates" and fake ass "influencers" as some fake ass role models and or fake ass leader and or fake ass talented humans. Unknowingly & many knowingly that they are deep in deception calling good, evil.... & calling evil, good.

Then here I Am, Jammin', Sharing My Talents, Providing My Purpose in the Lane The Most High/Lord has given me to share with You. Using cuss words... that many humans were deceived to believe that, cuss words are supposed to be, so-called bad to where many humans didn't know the difference between cuss words, swearing & curses... On how they are three different actions and don't mean the same. So, because I don't dress in Xoticy like these false prophets & or everyday frauds... because I don't speak as these false prophets & these fake ass "proper" fakes in their so-called "professional" ways... because I didn't go to some so-called school (programming mind-control system) to pay for a certificate to add a man-made title in front of my name that supposed to give these frauds some fake ass power... and because I'm so unique to the point... Many humans are trying to down play my uniqueness as their so-called weird, crazy & or so-called Mental illness... to where MILLIONS

of humans have become counterfeits of myself & Xoticy. Showcases the The Most High/Lord's sense of humor. As My light shines bright for All to see... The Most High/Lord's Greatness within I.

The Most High/Lord is showcasing that No Human can replace No One's position/Purpose of whom The Most High/Lord giveth. No Matter how many humans these liars have deceived, nor how many liars there is lying. My positions/Purpose will Remain to being My positions/Purpose... Thus Says The Lord.

Now, The Most High/Lord has a FUNNY sense of humor... and so do The seeds of The Most High/Lord, meaning so do I. That is why we're laughing at how The Most High/Lord placed Me... Ms. Monica Wilson of Xoticy... To being The one of whom So Many Damn Humans Hate, Envy & is Jealous of... So Damn Much.

So many humans look down on Me and so many humans are trying to be Me & Xoticy... Then there are so many humans who's trying to stop my Gifts. However, The Most High/Lord gave I... the positions/Purpose to Rule over ALL The Land. That includes have dominion Over ALL my damn enemies... Thus Says The Lord.

The Most High/Lord and I Laugh ALL day... Everyday about how The Most High/Lord used I... to Check Mate the Entire Fuck out of All these lying ass, deceiving ass, foolish ass, Ass backwards ass humans.

Why are the wicked so damn funny to us? because The Most High/Lord is showcasing The Truth... and The Truth is so easy to see... if you're out of sin. This shit is Fun-Ne... and everyone who is a seed of The Most High/Lord is laughing... and everyone who is not is PISSED The Entire Fuck Off. This is the last laugh... meaning all those wicked ass humans was laughing at my ass then... Now, They ain't. It's My turn to fuckin laugh at they stupid asses, while The Most High/Lord fuck they asses completely apart... for laughing at my ass, for disrespecting my ass, for stealing from my ass, for trying to jam in my stylized kind of ways and trying to sell my style as if it's just dancing and or some "floorwork" or some fake ass trend. They are getting fucked apart by The Most High/Lord For discrediting my ass and Xoticy, for lying on and about me, for playing mind games on & with me, for wanting to believe that I'm their so-called stupid and or Bat Shit Crazy... and all the other wicked ass shit those foolish ass humans did and or wanted to do toward me. Now, I laugh on how The Most High/Lord Check Mate they asses. BOOM!
