Keep you eyes and ears OPEN because your confirmation is coming in ways you are not expecting... and from others of whom you didn't expect.

12. GET Away from Toxic Humans. Meaning if anyone you know & or know of... who talk behind people backs... and are talking you & or anyone out of being around someone... due to the stories they and or someone else has spoken, painted &or heard... Remove Yourself. Also remove yourself from anyone who picks others apart & try's to point out other humans so-called "mistakes" Those who are full of light are to stay away from those who are full of darkness.
