So due to The Most High, creating us for You... & The Most High Choosing Ms. Monica Wilson to share her Gifts, Talents & Purpose in the form of her Services... under us, (The Xoticy® Brand) is why we have made sure that we are holding You accountable, by us leading You... by example.

Meaning we will Not do anything that is not of Great/Good. As in, We have and will always Speak the Truth, Be of Truth, Be Honest, Be Loyal, Be Kind, Be of Good, Using our brain to think for ourselves, Treating Everyone the same. Pleasing The Most High & Not anyone else. Listening to The Most High & Not anyone who is trying to turn anyone away from the Truth. Dressing for the swag of ourselves, Never feeling the need to please anyone & or impress anyone. We don't want to fit in, Don't need to seek attention. We Live in the Truth of who we are. No Mask, No fakeness, No hiding, No pretending- No Acting, No Lying, No Stealing, No being apart of anyone/ Any groups that try's to destroy others & nor are we apart of any illusions. We (Xoticy® & Ms. Monica Wilson) are here to make sure You... are able & will stand on & in the Truth of You. Got It? Cool!

The Most High is who created us (Xoticy®) Ms. Monica Wilson is who operates us (Xoticy®). The Most High is who guides Ms. Monica Wilson... & Ms. Monica Wilson is who's doing the Will of The Most High. To lead You in the correct direction. Xoticy® is a Team, making sure that You, reach Your New Levels of Greatness.

As Your Leaders, We ask that You remove Fear of whatever/whoever it is, that you fear & give all your fear to The Most High. The actual Creator/ The Actual Lord/ The ONLY God. Go straight to the source (The Creator) & Not through anyone else, PERIOD!

Here's a few questions, that will allow You, to see the Truth from a clear prospective.

Now, Everything from The Most High is Not confusing at all. However, everything from those who carry dark spirits is always confusing. So, Have you ever been added into a situation... to where the actions of the human, who added you (came to you) made no since... to where you ended up being confused to why whomever applied you, into the situation, came to you in the first place. When you had/have nothing to do with the situation at all. However, the only connection you & the person of whom added you into the situation had in common, is the person of whom the person is trying to get you to change your mind about & or believe whatever lie that was put into your head to turn you against The human. If yes, Why didn't you ask the person, who came to

you with the toxic/lies/situation... Why did they contacted you to tell you about someone to get into your head, to view the human of whom they just painted as a liar & or a horrible person... as if the human treat them differently than who the human actually is & treat Everyone. Why didn't you check the human who came to you with the drama in the first place?

The second question... why did you go all those years to view the human of whom you have no Truth about as a problem/issue & you've praised & Worshipped the human who started all the drama of twisting your brain about someone else in the first place?

In order for you to hold yourself accountable to grow, You must first remove yourself from facing the Truth & face the Truth. Check yourself & never allow anyone to come in & change your mind about anyone... of whom The Most High has already showed you the Truth about Cool? Cool! Why? because everyone has already showed you who they are by their actions. You've watched those humans who got in your head, lie to you, lie to those around them & showcase their wickedness... on top of the human(s) of whom they've turned you against. The humans of whom you have turned against due to what someone else put into your head, have Never showed you such evil & wickedness. They have always been pure & genuine to you & to everyone around them. Now, Why did You allow that evil humans to twist your brain to turn against the Truth?

It's time... to Hold yourself accountable & make your move. Got it? Cool!
