

Checklist for Custom ScrambleStick's

You're organizing a golf event, and now you're ready to add sponsor information to your Scramble Stick order. Here's what you need to do BEFORE you place your ScrambleStick order:

1. Provide us with high resolution graphics (JPEG, PNG, etc....) that you want to use for your ScrambleStick layout. Be sure to include all sponsor information (graphics/wording/Etc.). Examples:

2. Let us know how you would like to have these graphics to appear on the ScrambleStick. Examples:

3. Once you have provided us with your graphics, message and layout guidelines, we will prepare a ScrambleStick mockup for your review. Here is an example of a ScrambleStick mockup:

4. Review the ScrambleStick mockup, and advise us if any changes are required.

5. Once you approve our ScrambleStick mockup proposal, you're ready to place your ScrambleStick order.

PLEASE NOTE: Custom ScrambleStick's typically take 3-4 weeks to deliver, once the mockup is approved by the customer.
