

PRESS RELEASE

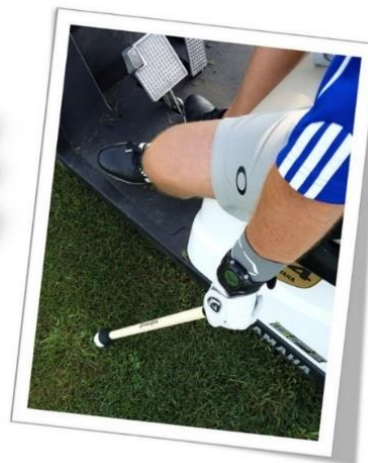

June 1, 2019

Meet the original ScrambleStick® golf ball retriever. This unique golf accessory aids in the play of scramble golf tournaments by allowing scramble teams to retrieve golf balls from their golf cart.

Here's how it works:

Scramble team players play their 'best ball' and use the ScrambleStick® to pick-up their other balls. Simply place the suction cup over the golf ball and lightly push down on the ScrambleStick®. The rigid suction cup 'holds' the ball, allowing the golfer to remove it with very little effort.

Play your best ball and use ScrambleStick® on the others.

Some of the ScrambleStick® benefits:

- Lightweight design that's easy to use, floats in water and fits in a golf bag club slot
- Minimizes physical effort (downward lean) required to retrieve golf balls from golf cart
- Aids to speed scramble tournament play
- Available in four unique sizes
- Space for promotional advertising (add your school/company logo or custom graphics)

Many scramble golf tournaments are still in the planning stages. For a limited time, we are offering 20% off ScrambleStick® tournament orders* when you use the promo coupon code below:

- Buy 50 or more ScrambleStick's (mix or match) and receive 20% off* when you apply coupon code: JUNE20

Checkout our website (scramblestickgolf.com) for more details and a link to our YouTube channel.

Happy Scrambling!

*Offer good on Domestic Scramble Tournament orders placed by June 30th, 2019. Minimum 50 ScrambleStick® purchase. Use the corresponding coupon code at checkout. Mix or match sizes. Excludes custom graphics which are available for extra fee. Offer applies to domestic scramble tournaments only. Restrictions apply.
